The Original Magazine For Men Who Enjoy Dressing Like Women!

Editorial

Dear Readers,

The other day, while cleaning out my attic, I found a box of old photos of myself. I saw a young hopeful "girl," the toast of the New York nite club set, bouncy and bubbly as Doris Day. There were some glamorous shots taken during my club act and even a few of me receiving awards and trophies at Cotillions and Pageants.

For a moment, as the Autumn sun came in the dusty windows, I felt wistful. But those feelings were soon replaced with pride. Sure, I may have an "extra" 5 lbs., or so. My skin does not look as it did when I was 18. But, I take good care of myself and have done pretty well with what I have been blessed with over the years.

We must, as a group, raise our consciousness to include the middle-aged TV's and TS's and all other assorted genders in our good world. Too often I've seen the older "woman" lose confidence in herself and as a result be brushed aside by the young things. I stress dignity in all my affairs. It gives me the poise I need to maintain a regal and elegant posture. I don't try to look 18 anymore. And as I've come into my 30's I've gained a new respect for people more mature than I.

Let's hear it for the older woman!

Much Love, Kim Christy

Letters to the Editor

If you wish to write to Kim and possibly have your correspondence published, please address it to Kim Christy, C/O FEMALE MIMICS INTERNATIONAL, P.O. BOX 1622, Studio City, CA 91604.

Dear Kim,

I just bought my first copy of FMI, and I'm very pleased! I bought it mainly for the Personal Ads, but was thrilled to see your letters column, as well. I was doubly thrilled to spy your sensuous photo! Your sexy mouth and your soft, freckled shoulder really got my juices flowing! I'm pleased you'll be giving all your readers the low down on hormones in an upcoming issue. I'll be looking forward to that, for sure!

H.M. is a beautiful girl, and I'm sure she'll go far.

I can't wait for the responses to my letters. You have many interesting and beautiful readers!

I hope you'll tell more about yourself in future issues.

Well, I just wanted to write and tell you I'm out here, and that you can count me as a new, regular reader from now on.

You all have a great magazine, and I'm glad I found you!

Luv,
Amy

Dear Amy,

Thank you for your praise and encouragement. Maybe you will

send a photo next time.

Luv you too!

K.C.

Dear Kim,

I absolutely love your magazine. Up here in Canada, we don't get it too often. But when it does, I grab a copy.

Everytime I have viewed it, I just about have a heart attack.

Every issue features new and beautiful ladies.

I am really amazed at how many beautiful and delicious ladies there are out there. I really admire them, including you.

If you haven't totally delighted me with all of the ladies you have shown so far, you really freaked me out when I saw Jennifer Thomas. It was love at first sight. She looks a lot like Jennifer O'Neal, the fashion model. Girls like her make all the negative aspects of being a transvestite worthwhile. I would like to see more girls dressed like her as a delicious fashion model, like Elaine too. I would like to see Jennifer and Elaine on the covers

of major fashion magazines like Cosmo and Glamour, etc.

To hell with Brooke Shields!

I am mainly a closet queen. But I have gone out on occasions and have heard some very flattering comments. I love being a girl, and I think being a TV is the best hobby I have ever had.

I am in the process of coming out, and find I really feel beautiful inside, once I lose my fear and anxiety about being a TV. I feel really alive.

I have met some other TV's and didn't like them too much. They were hookers and also very beautiful. But they are hard to get to know. There's no good in being a beautiful lady and being cold to a closet queen. We should stick together. I really would like to meet an amateur, one who is beautiful and friendly, but as yet have not met any.

Well, goodbye for now,
Love,
Susan

Dear Susan,

Perhaps you will meet someone special in our personal ad section. After all, we were all in the closet

at some point ourselves so don't be discouraged.

K.C.

Dear Kim,

First of all, you're beautiful. I'd give anything to be a lovely woman like you.

Unfortunately, not all we would-be-girls can follow in your steps. I dream every night of waking up in the morning and finding out that *it has happened*—the miraculous transformation has taken place, and I can walk out into the world with my full breasts softly jiggling, my female hips swaying back and forth, lipstick on my lips, earrings in my ears, and most importantly, what I've wished all my life I had between my legs instead of the equipment I was born with.

Some of us just have to dream. In a more tolerant world, I'd be taking female hormones by the bucketful. But even a would-be-girl has to eat, and I can imagine what my employer's reaction would be if I showed up with a proud 36-inch bosom filling out a tight, tight blouse, with more than a hint of swollen nipples (I'd go braless, of course) showing through the fabric.

Ah well, at least I and others like me have Female Mimics International, the magazine for girl-men who know that nature can make a bad mistake.

All your issues are great, but I particularly liked volume 13, number 2—the one with “blondacious and vivacious” Heather and Ivory on the cover. At one point your text describes them as “twin-like sisters.” Are they really “sisters”? Certainly nothing would be more natural than for one brother to show the way into the wonderful world of femaleness, and the other to eagerly follow.

I loved Ludmilla, with her exotic Latin beauty and her magnificent bosom (to have breasts like that! Wow!) She has the kind of

**“In a more
tolerant world,
I'd be taking
female hormones
by the
bucketful.”**

voluptuous, experienced beauty I'd give anything to have.

Most of your readers write in with their experiences in the wonderful world of transgendered sexuality. I'm afraid I don't have any for the reasons I outlined above. But here are my two favorite fantasies.

A wealthy man is given a magic potion which turns him into a beautiful young woman. At first he just starts out spending weekends in his new sex, but gets more and more aware of how much better it is to be a woman, and how superior females are to males. Through his influence he launches his other self into a career as a showgirl, and passes himself off as her lover/protector (after all, no one ever asks why you never see Clark Kent and Superman at the same time). In the end, of course, he decides to stay in his new sex forever. In my other dream, I meet a beautiful girl and fall in love (I like to think I have strong lesbian tendencies). She takes me to visit her family, and I'm surprised to find a room full of nothing but beautiful women. She gently explains, of course, that her father and brother got tired of stupid, boring maleness long ago, and by now have been into female mimicry (and hormones, of course!) so long that there is no

way an outsider can tell the men from the women in her family.

She is a little apprehensive, but of course I immediately signal my intense interest in following suit, and as the family gathers around, I am given my first shot of hormones in the penis (after all, why not get to the root of the problem?) We then go away for a year while she schools me night and day in being a woman, until I have walk, makeup, voice, mannerisms, everything, down pat. Meanwhile, it's been hormones morning, noon and night. The big surprise for her family comes when we visit again twelve months later, and my bride's father and mother have a hard time telling who is the more feminine—my very female bride, or me!

Just dreams, but they help me get through the day.

Our final request about your wonderful publication. Please continue to follow your policy of *not* showing the “original equipment” many of your models presumably still have between their legs. For me that would utterly destroy my favorite fantasy that somehow, by wishing hard enough, a man can simply turn totally into a woman!

Love and kisses

(and I *mean* those kisses, as well as the love)

Laura

P.S. You call your magazine, “The Original Magazine for Men who Enjoy Dressing Like Women.” I know that some of your readers are just into dressing, but I like to think of FMI as “the magazine for men who wish they *were* women!”

Dear Laura,

My, we do have an active imagination, don't we? Oh well, if we did not have our dreams we would not have realities to strive for.

Thank you for the love and the kisses.

K.C.

Dear Kim,

I just love your magazine, and get every issue I can. Could you publish where back issues can be obtained so that I can get every issue?

I've been dressing as a girl ever since I can remember. Starting with my mother's clothes when no one was around. I was studying one day, while in college, and the urge came over me to try one complete girl's outfit from wig to heels. So I went to a district in San Francisco that has a nice shopping area to buy the clothes, but I just couldn't work up the nerve to do it. So I approached several young ladies to help me, but in the urgency of my need I guess I scared them off so I went home very frustrated. Eventually I got the nerve to try some nylons, then a slip and panties, and then dresses, wigs, heels and everything a girl wears so that today I have a closet full of dresses, skirts, blouses and sweaters. The closet

"The urgency of my need scared them off."

floor is lined with high heels, and the shelf has eleven wigs on it. I have a lingerie chest full of slips, panties, bras, girdles, garter belts, nylons and panty hose. I now have a wardrobe that would be the envy of any girl. I finally got up the nerve last week to go out, for the very first time, as a young lady. I was scared to death, but I finally went into a bar that had a combo and ordered a drink at the bar. I thought the bartender would know I was really a man but he didn't seem to notice anything wrong so I gained confidence in my appearance. Finally a man sat down next to me, and asked if he could buy me a drink. I almost

fainted, but accepted his offer, and after some conversation he asked me to dance. I tried to get out of it by telling him I didn't know how, but he said he'd teach me, and led me by the hand to the dance floor. I couldn't believe it, I was not only accepted as a girl, but dancing in the arms of a man. I'm in heaven doing the things I've always wanted to do.

I'm enclosing some pictures of myself in the hope that they might be good enough to publish in your magazine.

Thanks for your great magazine.
Sincerely,
Michelle

Dear Michelle,

What a great story. I am sure your dancing partner never thought twice about your gender. Judging by your photos you are indeed very convincing.

Thank you for sharing your story and your photos.

AUNTY

F.M.I. Serialized Fiction Part III

Once they were out of the town and driving along the country roads, Sarah slowed the car and reaching across with her left hand began lightly caressing the front of his trousers. Paul's cock soon became aroused enough to press against his trouser material, and he closed his eyes and lay back happily in the seat passively with his legs splayed apart for her to play with him as she wanted.

"Have you missed me, my pet?"

"Mmmmm . . . yes, ever so much . . . aunty."

"And you still want us to be very special friends don't you, Paulie?"

"Oh yes, yes, aunty, I do."

She looked at him out of the corner of her eye. His handsome features were already flushed. "Good. Open the glove compartment, Paul, and you will find a nice surprise."

The young man opened his eyes and reached forward to snap open the glove compartment on the dashboard. His eyes shone when he saw a pair of frilly pink panties laying there. He eagerly picked them up, his hands trembling as soon as he felt the soft silky nylon, and he caressed the knickers lovingly.

"A nice surprise for Paulie, eh?" she chuckled.

"Oh, lovely, lovely."

"Unzip your trouserfly, my love, and slip the panties round your cockie, and then zip the trousers up again," she told him quietly.

There was a soft metallic sound as he undid his zipper, and then he was carefully wrapping the nylon knickers around his semi-erect penis. His cock was getting harder all the time, and he had a difficult task pushing it back inside his trouser front once he had it wrapped completely in the fabric. At last he managed it and was zipping up his fly again.

"Good, my pet, now lie back in your seat again comfortably," she told him and at once resumed rubbing the front of his trousers full across the erection-bulge, but this

time the lad had the marvellous feel of warm nylon against his cock flesh instead of the coarse material of his underpants and trousers.

"That feels nice doesn't it, pet?" she asked softly.

"Ohhhhyes . . . so lovely . . . so good, aunty."

"Aunty's panties are so very good for your little cockie, aren't they dear? And I can feel how much your cock loves them," she added.

Sarah continued rubbing him for a few minutes and then abruptly stopped. She was pleased to see how well he had progressed in her training, making him an avid lover of her knickers, making him associate them with strong sexual feelings, and very soon she would have him ACTUALLY wearing her panties. He would want his satisfaction, but he would always want it while he was wearing her knickers. He would not want to have the ultimate sensation without the added pleasure of

her knickers being a part of it. She was making him more addicted to her knickers than the desire for real and natural intercourse. This was exactly how she wanted him to be trained. This was sex HER way, and she would not be content until it was HIS way, and the ONLY way for him.

With his little cock happily imprisoned in her panties within her trousers he knew they were going to have a marvellous weekend. She was equally excited, for she knew soon he would be using that sweet, innocent mouth of his to give her satisfaction. He was going to learn to lick better, to suck better; she was going to make him the best cuntlapper she had ever known, and he would learn to always link sexual pleasure with lapping her cunt and wearing her panties at the same time. For him THAT would be the ultimate experience, and what a beautiful little sex pet he would be when fully trained along those lines.

"I've missed you, pet," she told him as she slyly wriggled her hips and managed to get a small pillow beneath her bottom.

He stared at her with glazed eyes, glad to hear that she had missed him as well, but sorry not to be feeling her hands on his trouser front anymore. He had other plans. She reached across and put her hand to the back of his neck and pulled his head down to her lap so that he was almost lying lengthwise along the car seat.

"Aunty missed you very much indeed, pet." Her voice was husky. She was slowly easing up her skirt and opening her legs, and once again Paul detected the rich scent of mature femininity. With expert guidance by the gentle hand on the nape of his neck, Paul shuffled about and moved closer to her until his head was UNDER HER SKIRT and BETWEEN HER PLUM-PISH THIGHS.

"There, darling," she spoke softly, coaxingly, "that's where you want your face to be, don't you? Take deep breaths, my pet, and show me how Paulie is going to be a good little girl this weekend."

She wanted to know his reaction to the first reference to him being called a "girl," for that was what she intended to make him. He was too excited to have paid much attention to her words as he pressed his mouth to the crotch band of her panties and used all the dexterity he could to grip with his teeth and pull aside that protecting band of nylon.

The way she wriggled about on the cushion did not make it easier for him; however she gave him what help she could by her verbal advice. "Good . . . good, Paulie, get aunty's panty-band in your teeth and pull it well away from her cunt. Pull it harder. That's it; now you can get your mouth to my cunt. Lick me, Paulie my pet, lick auntie."

Comparatively inexperienced as he was, he nevertheless made the woman gasp and grunt with aroused sexuality as he tongued her slit and kissed, with no little passion, her growing button clitoral flesh.

Sarah kept her right hand on the wheel; she was not driving very fast, so steering was that much easier. She used her left hand to gently stroke the top of his bobbing head in her lap until he had established a rhythm she wanted, then she moved her hand down to the front of his trousers again and resumed rubbing his stalk through the material.

He had her very excited and, fearing she might not be able to control the car if she became any more heated, she pulled off the road and drove a short way along what was little more than a rough track. When they were out of sight from the road, she stopped the car so they could concentrate on their bizarre lovemaking.

Making sure his head was imprisoned by her strong thighs, she began pumping his cock rather than stroking it through his trousers.

"Ohh aaa, lovely . . . lovely, Paulie Pet," she groaned as he wormed his tongue from side to side in her welcoming grotto. Amid her heavy panting she managed to talk to him. "Aunty is going to give Paulie some lovely woman-nectar. Paulie is going to be a good girl and drink it isn't she, and while you taste my juices, Paulie, you are going to

pump your own hot cream into the very dainty, pretty pink panties your cock is wrapped in."

Muffled moans of pleasure emanated from between her thighs, and he used his left hand to hold and caress the back of her hand which gripped his erection. The gripping fingers gave him so much pleasure and yet she was holding him through his clothing, through the heavy material of his trousers and the fine nylon of the tantalizing panties. The car filled with

spendings."

She removed the small cushion and adjusted her skirt and knickers. She saw he was undecided what to do about the spunk-filled panties still wrapped about his penis, stuffed inside his trouser front. "Don't worry about your little cockie, dear," she told him. "I will take care of you when we get home. Leave my panties where they are; let them soak with your sweet spunk. I like the thought that a pair of my panties are full of your precious juice. I don't think

"You like aunty's panties immediately after she's taken them off, don't you? Wipe your lovely face clean from my spendings."

grunts, groans and heavy breathing, every sound proof of the sensuous delight being enjoyed by both parties. It was brilliant timing on the woman's part that ensured they climaxed together. The youth was avidly sucking her genitals and lapping down as much of the love-juice as he could get onto his tongue and down his throat. At the same time he was spurting his own hot load into the panties. They lay there, hardly moving but breathing heavily, for a few moments, savoring the wonderful afterfeeling of that peak of ecstasy, until she indicated she wanted him to sit up straight again.

Taking another pair of knickers from the doorpocket, she carefully wiped his smeared, glistening face, letting him lick the crotch piece of the knicks. She smiled at him. "They are not the same if they have not recently been worn, are they, my pet? There is not enough taste or odor on them, eh? You like aunty's panties immediately after she has taken them off, don't you, but this pair is not really to give you pleasure but only to wipe your lovely face clean from my

it will soak through to stain your trousers, not by the time we get home anyway, my dear."

They looked into each other's eyes and then joined their mouths in a fond and fairly passionate kiss, and soon they were speeding along the main road again on their way to another fateful weekend. Paul, so happy and contented after his fetching off, lay back in the car seat, savoring the musky, sexy taste still in his mout and feeling a dull but very pleasant ache in his cock still wrapped in the wet and sticky, spunk-drenched panties. Sarah was just as happy and couldn't wait to get home so that the slow seduction-training and feminization of this good looking orphan could continue.

Once indoors, Sarah took him to her bathroom and removed the soiled panties from the confines of his trousers. After washing and having a meal, they both settled down to listen to some of her records. She cradled him in her arms as they sat on her comfortable sofa.

Dear Readers,

It has come to my attention that many of you gals need a helping hand in some of the finer points of cross dressing. While wearing women's clothing has a personal meaning to each and every one of you, here are the rules that, as a group, if followed, would reduce the local dog catchers job by half.

Of course, rules were made to be broken. I've been told for years by "well-wishers" that light pink and orange lipstick went out with beach movies. I persevere with that style because it is right for me. Just as other modes of dressing, make-up and hairstyles may be right for you, but not necessarily in "style."

Remember that you're dressing for yourself first, and your own pleasure in your appearance will radiate confidence and style to others.

*Love,
Kim Christy*

DO:

Wear attractive foot wear. High heels are a unique joy to cross dressing!

DON'T:

Wear clunky or masculine shoes, especially with lingerie.

DON'T:

Overdress for simple occasions.

DO:

Wear basic black. A personal favorite, and always "correct."

DON'T:

Expose needless body hair. Long sleeves or gloves should be required by law.

DO:

Wear opaque hose when shaving is inconsiderable.

DO:

Pin and tuck hair carefully for maximum wig success.

DON'T:

Wear glasses when contacts are so reasonable. And for God's sake don't put utensils in your mouth.

DON'T:

Excessive alcohol consumption can turn a magic evening into a screaming nightmare. Be ladylike.

DO:

Always conduct yourself in a manner becoming of a woman. Poise and discretion are the hallmark of a lady of quality.

Lisa & Margo

Like beautiful bronze baubles, Lisa and Margo decorate our cover. Lisa's sultry repose is the perfect foil for Margo's wholesome good looks and toothy smile. F.M.I. is proud to present these exotic dusky princesses in all their glory.

Our photographer said that working with these gals was a dream. "They had flair, style and a sense of drama that made them a photographer's ideal," he shared.

Margo and Lisa have the ability to switch from erotic amazons to coy and girlish nymphs.

As we finished our session the sun was setting. Golden light bathed the girls as they primed and groomed in the mirror. We could easily picture the grace of Cleopatra or the sleekness of Dorothy Dandridge. Thank you, Lisa and Margo.
