The Original Magazine For Men Who Enjoy Dressing Like Women!

Editorial

Often I feel like the Diana Vreeland of the Drag World. A lot of material passes through my hands that has nothing to do with cross-dressing but it has everything to do with style. So many of you out there have transcended the elemental aspects of simply wearing women's clothing and have reached a kind of experimental femininity. The world's general attitude about men wearing women's clothing leaves a lot to be desired. Still we should be grateful that things have come so far. We can be free of the archaic goal of "passing" for female. There's no way that a 240-lb. man who stands 6'3" tall is ever going to "pass." At the same time, there is no reason that he should be denied the exquisite joy of being clad, head-to-toe, in the most frilly and feminine accoutrement he can pull together. So many tall people avoid heels. This is okay, but what if you love heels?

Remember, my loved ones, it's not whether you "pass" on the outside that counts, it's how wonderful you feel on the inside.

*Feel good,
Kim Christy*

A Look At

Pageants Past

Found under a pile of run stockings in the F.M.I. archives, these stills evoke a sense of a nostalgic past. The naivete and naughty wonder of dressing up in a less permissive social climate is clearly enhanced in these photos.

Letters to the Editor

If you wish to write to Kim and possibly have your correspondence published, please address it to Kim Christy, C/O FEMALE MIMICS INTERNATIONAL, P.O. BOX 1622, Studio City, CA 91604.

Hi and Happy New Year Kim!

I was so *thrilled* to see my letter printed in the current issue of F.M.I. Thanks so much for your comment 'Refreshingly uninhibited.' It made me weak!

I really did mean all I wrote in that letter. I love hetero TV action with big-cocked she-males involved with real girls!

Also, about the current issue, Heather Fontaine is gorgeous but we never get to see "her" cock. How do we know "she's" a "he"? Maybe you ought to print an end-piece in which all the lovely "ladies" show off their true sex. Otherwise your magazine is great. If calling you, Kim, the Betty Page of TV's is a compliment, I agree!

Suggestions: a retrospective of you, in your "salad days." More on correcting figure faults—how for example, do you hide large male organs when you're in jeans?

I'm enclosing an ad from the "Chicago Reader" about a shop that specializes in clothing for TV's. It's a great place! Maybe you can place some of your film publicity with them.

Thanks again for publishing my letter,
Love,
"Donna"

Dear Kim,

I've been purchasing F.M.I. for about a year now, whenever I can find it. It has been getting easier in the past several months. F.M.I. is, without a doubt, the best magazine for TV's that I have ever seen. The latest issue, with Annae being crowned Queen of the Universe 1985, is one of your best. Can we please see more color photos of Annae and all the other beautiful ladies? I also enjoy very much Linda Lee's Pages. Besides being pretty, she writes with insight and a blunt truthfulness that is very comfortable to read.

Love,
Joni

Dear Kim,

I just did something I've always wanted to do. I went to a high school reunion dressed as a girl. When I was in high school I longed to be a lush school girl and be able to dress in skirts and sweaters and nylons and heels. That's when I started trying on my sister's slips, bras and panties, and pretended that I was going to school wearing them. But, at school, even though I was small for a boy and had a baby face, I tried to be macho and played ball with the boys, and pretended I liked girls and went out with them and did everything a boy was supposed to do.

I had never attended a reunion and thought it would be the thrill of a lifetime to be seen as a girl by my old school mates. I wore a white linen-looking suit with a selected skirt, bolero jacket over a sheer pink blouse that revealed a beautiful "show off" slip, my nylons were deep suntan, and I wore white high heeled pumps. As usual I wore a tight panty girdle under my panties for security and my bra showed off a nice figure. I wanted everything to be perfect including make-up and newly styled wig.

The reunion was held in the

school gym, and there was a band for dancing, and plenty of food and drink, and I was amazed at the number of people that showed up that I knew. I had gone with three of the girls, and two of the guys there were my very best school chums. At first, I almost left at the thought that surely they would all recognize me, and I would die from embarrassment as their old boyfriend now dressed as a girl. But no one did recognize me and I answered their questions as to who I was by telling them my name was Pricilla Johnson and I had started school at mid term and most of my friends were not there. They all seemed to accept that and I started to relax and have fun, especially when my two bachelor buddies, Bob and Peter started to hustle me when they found out I was single. To think that I had played ball with these two boys, and taken showers with them in that very gym, and here they were now trying to make out with me thinking I was really a girl. It was too much.

First, Peter asked me to dance and then Bob would, both trying to beat the other out for my attention. I loved it. Then Bob took me outside for some air after a dance, held me close and kissed me and wouldn't take me back in until I promised a date for the next Friday. I guess he told Peter of his accomplishment because after the next dance Peter did the same thing only when he kissed me his hands found their way to my silken derriere and as he held me tight I could feel his excitement growing. I said "Peter, please, I don't think I want to get pregnant right here on the dance floor." He laughed and asked me where I did want to get pregnant. I didn't have an answer for that, but agreed to date him on the following Saturday night. Later, I overheard both boys talking while I was coming back to the table, after powdering my nose, and Peter was

Our Pricilla

telling Bob that I was a sure lay on Saturday night and that he couldn't wait to get into my panties. Bob said he was going to beat him to it on Friday. I coughed to let them know I had returned and both boys turned red, but I didn't say anything. I couldn't believe it was all happening. At last, I was a girl at my very own high school with two handsome boys after me. The date, the following week turned out to be a lot of fun. Both boys tried to make me, and I let them have their way up to a point so that neither of them found out who I really was. I'm still going out with them but I don't know how much longer I'll be able to fool them. Peter is

getting very passionate and serious, and Bob keeps me busy defending my virginity. But, I'd like it to last forever.

Enclosed are some pictures of me that I hope you approve of, Kim.

Love and Kisses
Pricilla

Dear Pricilla,

Your adventures are always appreciated by both the readers and the staff of F.M.I. Please write again soon!

Dear Kim:

How are you these days? My name is Kae and I'm a TV. I like to read your magazine because there are a lot of little tips that all of us girls need.

I was wondering why there are no make-up tips in your magazine. If you go through any other woman's magazine there is almost always beauty tips. Since I first started dressing up I have been into make-up and how to make it look good on me. My biggest problem right now is my shadow. The sun never shows any mercy on me, at night it's not so bad. I have found out that there are many places we can go to get help. When I start looking for help on some part of make-up or dress I usually get on the phone and start calling places that cater to woman's needs. This way the store can be qualified (to find out if they mind helping TV's & TS's) ahead of time. It always works out because you don't just go in cold turkey. I have been kindly asked to leave many stores, then I learned the phone technique. Use it, it works, and it saves a lot of embarrassment for beginners.

As usual the girls in your magazine are very pretty. I like the way they (the girls in your mag) always look very fem. No cocks or dicks swinging about. Not that I'm against any of it, the girls just look better without all that other stuff. How do people like me get into your mag?

I mentioned earlier that I have a heavy shadow and I am considering getting it removed. I have seen these home electrolysis gismos. Do these machines really work?

In your Vol. 14, No. 4 magazine you mentioned that you are going to sell a complete set of the F.M.I. magazines. When you decide to start pulling names out of the hat to see who gets the set please enter my name.

Well, not much more to say for

now. If you need any help with your mag I will be happy to go to work for you. There are a lot of neat things happening here in San Diego.

Love,
Kae

Dear Kae,

Thanks for a good letter. Yes, make-up help is a good idea and we'll see what we can do. How about some experience from you readers out there on home electrolysis?

Dear Kim,

You're a wonderful trip. I've enjoyed you for years and now I discover you've a publication and I have the privilege of writing to you for the first time. Your photo on the back of Drag Magazine somewhere around 1971 was my first sight of you. I still own this issue and treasure it greatly. You have been the one through the years I have admired most. I do believe the most beautiful woman in the world are men in Drag. Thank you, it's great to be.

I'm 34 now, was 21 when I first noticed you. Thoughts of you have accompanied me to this day. I was married at 25 to a girl of 18. We

are happily married. She enjoys our lifestyle so very much. We live at times as two girls and have been enjoying swinging for around ten years, a year before we were married. I enjoy the company of women as well as men which may come as a surprise to most. Now I've decided to work a job of considerable discipline which is keeping my head above water instead of under the covers.

I've had many fantasies in my life. One is to meet you and become a friend. This will be a tough one to achieve, be assured of where my loyalty lays. I wish you, your readers and staff the best of everything, in issues to come. I know you will continue to be an inspiration, you pretty Betty Page of female mimics.

Love you,
Ricky

Dear Ricky,

Thanks for such an intimate letter, and for the photos. We especially enjoyed the photos we couldn't print! We would love to hear more detailed experiences of your versatile life. Please write again soon and share your life with me and our readers.

CONFESSIONS

The memoirs
of a man
in women's
clothing

Chris sat looking out of the window. He had been doing so since early that morning, wearing the nightgown he'd worn during the night and a pink marabou negligee . . . he had only come out of the chair to arrange the clothing he would wear on the job that night . . . a pink angora sweater set, brown slacks, brown high-heeled boots, pink brassiere and panties and a three-quarter-length fur coat; there was a chill in the air and he wouldn't have gone out at all if it weren't for the job he had to do . . . he didn't like these last minute arrangements; his problem was still where, when and at what time?

His phone rang just at sundown. He slowly got out of the expensive easy chair and captured the receiver on the third ring . . . he knew who it would be. "Yes?"

"Definitely tonight," said the male voice on the other end of the line. "Right at two thirty . . . Crazy Louie's Diner!" then the line went dead and Chris hung up.

He had a lot of time to kill but he never left anything to chance or guesswork. He moved across the spacious living room and walked through an ornate bedroom to a mirrored walk-in closet where he selected a long-haired blonde wig and a fur barrette, which matched the fur coat. He put these articles on the bed with the other garments, then went back into the living room, to his well-stocked bar, where he mixed a pitcher of martinis; he liked martinis and he liked to drink lots of them . . . at other times . . . but not on the job . . . just a few to bolster up his courage . . . he wasn't a brave fellow, as brave fellows go . . . but jobs like his always needed that extra added fluid courage running through his veins . . . at least he did.

He sometimes wondered why he remained in that kind of business. But the answer was simple. He loved

TV CONFESSIONS

(continued from page 11)

pretty clothes; expensive clothes; expensive cars; expensive living all the way; it was his way of life and he couldn't think of any other; this line of work paid big money; he got some of the biggest because he was an expert; scared most of the time, but an expert; he had to be if he wanted to stay alive himself.

None of his clients ever met Chris in his male role; it was part of his protection. They only knew Christine and Christine never looked the same twice . . . He was twenty-two and he was beautiful.

Chris realized early in life, as far back as his grade school days, that there was something different about him. He didn't like sports, ducked gym as often as possible and found he was playing more and more with the girls as time went on . . . he was called a sissy, but that didn't mean anything to him . . . he was shorter than most of the other boys and slender . . . he'd been called a 'Pretty Boy' from birth, but no one had to call him that, he could see it in the mirror . . . he hated dungarees and "T" shirts which seemed to be the uniform for the school years, and he didn't, in his young mind, know what to do about changing things . . . he liked to look at the girls in their frilly clothes; the beautiful sweaters and skirts; colorful slacks and blouses; his sister's brassieres and panties and other things which he'd see spread out on her bed when she was in the shower getting ready for school or going out on a date; she was only two years older than he, but that made her fourteen and she could go to the movies or someplace with the boys as long as she was in by nine o'clock . . . he'd sneak into her room at those times and let his hands move softly over the silky material; making sure not to disturb their placements; always prepared to dash out of the room when he heard the shower being turned off.

It was at one of those times he

saw the first angora sweater and the rubbing of the soft fur caused sensations in him he couldn't really understand. He'd gotten little erections before and he knew what jerking off was and how good it felt. That was something you just did. But the feel of that angora, which was to stay with him from then on, raised his small dick harder than ever before . . . he dashed to the downstairs bathroom and did what he had to do, but all the time he didn't see himself doing it in the mirror as he had always before. Instead, he had on the luscious, blue angora sweater, but he was naked from the waist down. The fantasy persisted through his session and he wondered what it would be like to get all dressed up in Shirley's clothes; all the beautiful things he saw from time to time on the bed . . . sometime the opportunity would present itself and he would be ready . . . sometime they all would be out of the house at one time; his mother, father and Shirley; then he would go into her room . . . and . . . he shot his small wad of cum on the toilet seat which he quickly cleaned up with toilet paper and flushed down the toilet . . . the fantasy, at least for the moment, was gone and he felt no end of

embarrassment at what he had been thinking . . . the embarrassment wouldn't last very long.

There was a church picnic and the group of kids were taken to a government reserve high in the mountains and Chris found himself sitting beside Ruth Warren on the bus . . . he wasn't attracted to the girl, but to her clothes . . . a red pleated skirt, a white frilly blouse, topped with a long yellow cardigan which he could see when the sides flopped back was soft and woolly on the inside . . . he had to find a way to put that on . . . put all of her clothes on . . . but again, how? He had to cross his legs in the thoughts of slipping into each of the garments . . . he'd do it ever so slowly so that the feeling he knew would come, would last a long time . . . maybe some game? But what kind of a game?

He made small talk with the girl all the way to the park, gaining her confidence; by the time they arrived at the park they had become fast friends and she didn't object when he invited her to be his constant companion for the day . . . she liked the idea . . . his mind continually dwelled on his problem as to how to get her clothes off so he could get into them. After they had hot dogs and cokes, the two youngsters broke away from the others and walked along a wooded path where Chris reached into a tree and snapped off a branch which had a decided "Y" at the end. "In case of snakes," he said.

"You boys are so strong," she remarked with a broad sigh of admiration.

"Ah, that ain't nothing."

"It sure is. Boys are all so much stronger than girls. Why even your clothes look strong."

She had opened the door for him. He would spring the game on her when they reached a small cave he knew about; a place where no one would discover them.

They sat with their backs against the cave wall for a long time before

he broke into a cold sweat. "Want to play a game?"

"What kind of game?"

"Well, it's like we said before. Boys are stronger. Even their clothes look stronger!"

"What's that got to do with any game?"

Let's see if the clothes make us different?"

"Huh?"

"You be me for awhile, and I'll be you."

"That's crazy."

"Scared?"

"No! It just sounds crazy." But she didn't seem to be entirely against the idea.

"It could be fun . . . come on let's try it . . . I'm game if you are."

"Well . . ." His hopes began to rise at that single word and then he became full of excitement as she added. "Where could we change? Girls aren't supposed to get undressed in front of boys."

"Over there in the dark. You get undressed over there and I'll go into that little cover over there, then we can throw each other's things across . . . okay?"

She thought another moment and during that moment his hopes took a downward dip. They rose swiftly. "Alright!" She got up and started for the darkness.

"Everything . . . your undies too."

"Sure . . . alright!"

It was only a few moments and her things were piled at his feet and he was naked, having tossed her his rough dungarees, shirt, shorts, shoes and stockings. He picked up the silk panties and slowly slipped them on over his ankles and took a long time in pulling them up into place around his hips; his cock began to grow.

Ruth's bra was a young girl's training brassiere, but it felt good as he snapped it around his back. He wished he had a mirror . . . the little satin slip, her Sunday best, slipped smoothly down over his

head and fell neatly into place . . . another moment and her skirt and blouse were adjusted. Her shoes and stockings came next because he wanted to save the most important for last. He lifted the sweater and let the wooly inside rub over his face. Then the big moment. He knew he must not do anything in a hurry, that he had to be very careful and very quick if anything happened, and he knew it would happen. Slowly he put each of his hands through the sweater arms and drew the entire love object into place . . . he hugged it . . . he fondled it . . . he wrapped it tightly around his body . . . he unbuttoned it . . . it was long enough so that when he lifted the pleated skirt he could rub the wooly section across the panty crotch . . . the blouse, the brassiere, tight across his small chest, made him feel as he had never felt before. The tingling sensations like small electrical charges raced through his frame . . . he was, at last, dressed for the first time completely in girl's clothes. He did think of the blue angora sweater laying somewhere in a dresser drawer in his sister's room and knew that when he put that on it would do even more to him. But for the moment, he had captured what he

had fantasized. He was a girl. He felt like a girl. He wanted to act like a girl. He wanted always to dress like a girl. The clothes were a magnet to his personality. The clothes were bringing him out, even though he didn't realize the significance of what he was feeling . . . he did realize what he felt seconds after he started feeling himself up through the blouse as if there were real titties there, and he wasn't quick enough. He messed up the girl's panties. He had been so lost; so hung up with his fantasy he didn't realize he was going to do what he did until that very last second when his nearly unformed balls spewed their load down the short length of his prick and out the head to be stopped from going to the ground by the nylon at the crotch of her soft panties.

Momentarily he panicked . . . but even at that age he knew that panic would do no good. This would stand him in good stead for further adventures, in later years. But for that moment in the cave he had to figure something out.

"Aren't you ever coming out? I want to see what you look like as a little girl."

The same kind of embarrassment formed in his faculties which had formed when he jerked off alone in the bathroom. But he had invented the game . . . he had wanted to put her clothes on . . . he had to go through with everything, no matter what . . . maybe the feeling would come back, the feeling he got when he first put her clothes on . . . he walked out into the lighter part of the cave where Ruth already stood dressed in his dungarees and shirt.

She gasped, but she didn't laugh . . . he stood shy and aloof not knowing just what to say.

"I don't feel like a boy . . . do you feel like a girl?"

"No," he lied . . . he had felt like a girl; perhaps he still did . . . he'd have to wait and see.

"You do look like one."

"I do?" He wasn't sure how he

took her observation.

“If you had long hair like me, you’d be as pretty as me. You know, I think I like you better as a girl” . . . how many times in future years would he hear those words . . . “My clothes look real cute on you . . . yes, I think I like you better as a girl . . . I think I’ll kiss you.” And she did.

Chris backed up a step or two, the bravery was quickly returning to him. She was playing the game, and he knew exactly what to say so she wouldn’t think anything was wrong, later, in their changing clothes. “See. I told you, you’d act like a boy when you put on boy’s clothes.”

“But I don’t want to be a boy! I want to be a girl. I just thought you were cute, like one of my dolls and I kiss my dolls all the time . . . I don’t like this game any more, give me my clothes back.”

Chris hugged the pretty sweater longer than he should have. “Just a little longer.” He wanted the feeling of being a real girl to come back to him one more time. It was the first time for him dressing up in girl’s clothes, and he wanted it to last.

She stamped her foot. She had become angry. “No, now . . . right now!” Then she walked quickly off into the darkness where she had made the exchange. “And hurry up. It’s cold in here and I’m already half undressed.”

Chris felt his way back into his own darkness and when his clothes lay at his feet he kicked at them, but sent her delicate things sailing carefully to her part of the cave. Almost immediately he heard her anxious words again. “Where are my panties?”

Panic. His hands dropped to the crotch of the nylon panties and the stuff he had shot into them had begun to harden. He searched the darkness for some answer, but there didn’t seem to be any. If he hid them and said she didn’t throw them to him, they would have to search and surely they would be found.

*Chris

Saying she didn’t throw them was a good idea, but keeping them on was the only way for them not to be found.

“You didn’t throw them to me like I told you to do.”

“I did too!”

“Then you didn’t throw them hard enough. They’re not heavy like the other things.”

“How do you know what girl’s panties are like?”

She almost had him, and he could feel the hardness of the panty crotch scratching against his naked dick. “I got a sister you know.”

“I didn’t know, because I didn’t know you before today . . . and you got crazy ideas . . . and I don’t think I like you . . . I liked you when you were a girl, but you are a nasty boy. We’ve got to find them.” She was dressed in the cute outfit Chris had had on such a short time ago and he suddenly felt the girl feelings rising in him again . . . how much he would like to have a girl’s outfit like that.

He helped her search the floor of the cave for some fifteen minutes and when the panties could not be found she gave up and Chris was relieved. “What will you tell your mother?”

“Nothing! Panties get lost

sometimes. She isn’t going to lift my skirt when I get home.” Then they left the cave and started back along the path; he tried to hold her hand but she declined.

“Did . . . did you like wearing my clothes?” she finally asked, flicking a speck of dry grass from her skirt.

“It was fun . . . how about mine?”

“I hate them.”

“Me too . . . what?”

“I mean, I don’t like things that look like work clothes.”

She took that as a valid explanation. “Yeah, I guess boys do get a rough deal sometimes, except maybe on Sunday morning when they go to church. Then they sort of get dressed up.”

He thought of the rough black suit in his closet kept for just that reason, and he wanted to throw up. He didn’t say anything to the girl about black suits.

“I’ve got a lot of pretty clothes.”

He wished she’d shut up about her clothes. He let her sweater end keep brushing against his hand; it was the best he could do at the time. “I bet you have.”

She lowered her eyes, then sneaked her hand into his. He felt a twinge of expectancy. “Do you like me?”

“Well . . . sure . . . sure, I guess so.” Chris kicked a stick out of his way.

“I like you!”

“I thought you said you didn’t!”

“I liked you when you looked like a girl in my clothes. That means I like you sometimes.”

“Yeah, I guess so.”

“But I don’t like being a boy. I didn’t like wearing your clothes . . . I wish you were a girl and we could be girlfriends.”

“Would you like that?”

She stopped their forward movement and looked up into Chris’ eyes. “I would like that. But you’re a boy,” and she started forward again. Chris hastened to capture her hand in his again. “I

like to be with my girlfriends more than with the boys," she advanced when he had taken her hand.

"I like girls the best. I never play with the guys."

"Oh!"

"Yeah! That's what I like."

"Would you like to play 'our' game again sometime?" she said.

The heart almost jumped out of Chris. He knew he squeezed her hand too hard, but she didn't pull it away. But he didn't answer right away. He didn't rally know quite how to answer the pretty little Ruthie.

"I wouldn't wear your clothes," she said.

"I know."

"I've got lots of clothes . . . all kinds of sweaters and skirts and dresses, and all sorts of things . . ."

His heart pounded faster. He felt he was losing his breath. Why was he talking about her clothes? She couldn't know what was going on inside of him. "You do?"

"Sure. And I wouldn't have to dress as a boy. I mean maybe sometimes I could wear pants like I got and a blouse like any girl wears, but not them awful clothes like you got on."

He hated the sight of himself as she said the words and he looked down the front of his work clothes.

"I hate them too, now that you hate them. I guess I always hated them."

"Can we play the game again?"

"Anytime you want." Then the horrifying thought struck him. "But where could we do it?"

"My parents go away a lot and my older sister who's sixteen is supposed to watch me, but she always goes out just as soon as they leave. I'm left alone. We could have the whole house for what we want to do."

"And you wouldn't mind me . . . dressing in your clothes?"

"If you want to . . . if you like it . . ."

"Well, it's only a game."

"I think I like the game."

"I like the sweater."

"I'll give it to you if you want it . . . if you'll be my new girlfriend." She sighed. "But you're a boy and you'll say that it's sissy."

"No I won't." He felt the panic rising again.

"Are you sure?"

"I'm sure."

"And you won't tell anybody about getting into my clothes like you're going to do?"

"Cross my heart."

"You want to take my sweater now?"

"I have to find a place to keep it first."

"Oh, yeah . . . I guess so."

He wanted it . . . he wanted to put it on and sleep in it; caress it; fondle it as he had done in cave . . . "Want to wear it back, always?"

"Not over this dirty shirt. It only looks good over, and feels good over, a pretty blouse like you have on."

"I've got a lot of pretty blouses . . . you'll see . . . and I've got a lot of pretty sweaters . . ."

Jesus, could she have an angora sweater like Shirley's? "My sister Shirley has a pretty blue angora sweater."

"I've got one in yellow, pink and blue."

He almost pissed in his pants.

"We'll have lots of fun, you and me playing just our game."

. . . And Chris looked down at the brassiere on the bed after his sixth martini and grinned at the thought of his first encounter with a lesbian. Of course, he didn't know what a lesbian was and neither did Ruthie. All they knew were the thrills in what they were doing . . . Chris dressing in everything she owned at different times; even wearing a wig from an oversized doll, and Ruthie kissing him and telling him how much she loved her new girlfriend.

Chris sighed and went back for one more martini.
