Editorial

Thank you, all of you, who have been so patient in waiting for Volume Two of the "Art of Femininity." Well, this is what happens when you put a bunch of confused drag queens in charge of making a video. It is not a half hour tape as originally planned. Those of you who bought on the original offer will still have your orders honored, but from here on in it's \$39.95. See our catalog pages for more ordering info.

We hope you enjoy Tina Alameda's debut on the video screen. She worked hard, along with all the other "little people" to make this our best F.M.I. video offering yet. And will you get a load of Miss Sherrie O'Neal on the cover? Isn't she stunning? She popped up out of a pink cloud on the day of the shooting of that sequence and we thrust her upon the screen, as they say. She's fresh and lovely in a Cybill Shepard kind of way.

Also please note our excerpt from Sharon Ann Stuart in the back of the magazine. The Sissy Times is a new star on the horizon. Sharon has presented to us a personal and professional journal of articles, fiction, and femininity. Perfect for all you bad sissy-girls out there who know that you should be punished!

Here 'tis: Please, please, please! Demand safe sex, or no sex. People who don't want to have safe sex with you do not really care for your welfare. If you have unsafe sex with someone, you are putting both of you in a great risk. Condoms are believed to reduce the risk if used properly. FINOCCHIO'S

By Li-Kar

Finocchio's came into being some fifteen years ago, as a small Bohemian cafe. There, were to be found, writers, painters, people of the Theatre, and all other fields of artistic endeavor. It was the favorite, and intimate gathering place, of San Francisco's famous art colony. As a matter of course, groups of people gathering there, of an evening, for a tall cool drink and lively chatter, would burst into impromptu songs, dances and sketches, entertaining not only themselves but everyone. From this, the management, Marjorie and Joseph Finocchio, derived the idea of using an intimate form of entertainment, with male performers burlesquing the opposite sex. It was received with such enthusiasm, that the place was soon packed to over capacity. It was apparent to Marjorie and Joseph Finocchio that it was impossible to accommodate the people clamoring to enter their small cafe. Therefore in 1937 they acquired a larger club and moved to their present location. With the opening of their new club, Margarie Finocchio planned the entertainment on a grand scale. She placed her plans before her husband. They agreed to present to the public, entertainment that was so unusual and spectacular, that it would set the entire country talking. Marjorie Finocchio definitely knew what she wanted, and got exactly that. Mr. Finocchio agreed whole-heartedly with her and left complete charge of the entertainment in her capable hands. He had more than enough to do managing the beverage end of the business, and all the other things that take managing in order to run a successful night club. Marjorie Finocchio, thereupon contacted and booked the finest impersonators to be found, carrying on an art that is almost older than time. She supervised and planned elaborate productions. She saw that her entertainers were dressed and costumed in the most elaborate of fashion, and surrounded them with beautiful settings. There was no expense spared in assisting the artists she gathered to make this most unusual show. Mimicry reached its highest point. This group, of some sixteen entertainers, is very similar to that of any little theatre movement with members of the cast producing, staging and writing material for the revues.

With this short biography of Finocchios, one can readily see why nightly celebrities from every field and walk of life—from some high foreign potentate to the man next door, throng to Finocchio for a night of relaxation. It is decidedly a "must" place on everyone's list.

We'd like to thank our dear friend, Ernestine Poseur for pulling this old Finnochio's souvenir deep, deep out of her closet. The copy re-printed here is at least thirty years old. There was no date in the program so we can't help you there, but if one of our readers could date this for us we'd be appreciative. Hope you enjoy this trip into the past, a journey down the road of our drag heritage.

On the Spot

Dear Kim,

As a life-long TV, I have just begun to reblossom in determining my style of dress. As such, I've also found the perfect way to test the myriad of styles, sizes, and colors best for me.

After a busy day, or on a lazy weekend, I'll go to the J.C. Penney outlet store (great bargains), and with shopping cart in tow, select all the dresses, skirts, tops, and shoes my heart desires, and with only an occasional glance of questioning from a woman shopper (ask me if I care).

I'll find the most secluded lockable dressing booth, and as my heart is beating madly, I'll luxuriate in frantic anticipation as I scramble to remove my dreaded male clothing, trying on girl things for what may go on for one hour or two.

To facilitate the total image in the full-length mirror, I wear panty hose or stocking and garter belt under my male clothes; athletic socks, etc., the latter which transform into nicely formed breast mounds for the 38C bra which I've worn under my baggy sport shirt.

Needless to say, (but I will anyway) I've been fully, securely, and precisely gaffed with my favorite adhesive, duct tape (it works wonders) using a three-inch wide strip, about two feet long,

which begins midway between my navel and pubic hair, down under my crotch, entrapping and flattening my penis and balls in the process, stretching the trio through the crack of my ass — and beyond and upward again, with the tape ending up under the most deliciously pain/pleasure combination at my mid-back. The effect is total female & there's nothing there left to hide.

As an aside, after I have done the above elimination, I can peel the tape on my front side down just past the point of the middle of my crotch, and fold the loose end back over my already non-visible penis. The effect is a real looking pussy — no tape, no balls, no penis — the already tugged tape holds perfectly. The first time I discovered this, I was convinced that unless someone saw the tape behind me, "being a girl" was without question. Talk about getting high!

Back to my adventure. The "on the spot" conversion would not be complete without my trusty clear surgical tape, which I carry in my photo section of my wallet, which I use for arching my pre-trimmed eyebrows; I keep them just at a neuter level, but constantly resist plucking them down to a pencil-line.

Topping it all off, I flatten and pack my favorite pageboy wig, in a ziplock bag, taped against my

stomach, inside my same baggy shirt. This gives me a slight, but acceptable, weekend beergut (God forbid, it isn't mine).

Before the mirror I stand, having last time dressed as a rising executrix in a smart navy blue business suit, with shirt just above the knee, or in a shimmering black, strapless, evening mini-dress, replete with matching seamed hose extending down my feminine calves into smashing 3½"-high black patent pumps, or a high cut red swimsuit, with ruffled skirt, ultra-bare back, and vented sides. I loved this one particularly because my pussy is so revealing, as I give my little skirt a flip upwards (still in my black pumps, of course).

How tempting it has been for me (I can't tell you) to just walk out into the store, browse, and listen to the clatter of my very own heels on that bargain store floor. It is intoxicating. I'm sure, it's going to happen very soon. I can only take so much!

But before I do that, I have to invent some new solutions. First, what to do with my boy clothes as I leave the dressing booth? Leave them there? Or carry them with me, pretending I'm carrying them for purchase — most of my clothes are new anyway.

My biggest problem is with makeup. I can't enter the store made up, and sometimes carrying

a package may look suspicious, and there isn't the often needed wash basin to prepare my face. I'll have to think on this, and report back later.

Incidentally, on my last trip, I bought an incredible acid-washed two-tiered jean mini-dress, size 13, which fit like a glove, and accentuated all my curves. I just had to have it — after trying it on with coordinated 4-inch electric blue pumps, size 8½-B, one look in that friendly full-length mirror and I suddenly, without warning, experienced the most engulfing and spontaneously sustained organism of my life. With my sleek hormone-prepped, full-bodied 39-27-39 form looking back at me, the major event which caused me to shriek, must have lasted me about 90 seconds, with no subsiding. It occurred through all the gaffing tape, in a non-violent, but cascading sensation, similar to what real women have experienced. If that is *anything* like what it is like to be a real girl, surgeon, here I come! What amazed me is that it happened with no digital stimulation — maybe that's the best kind. I almost fainted in delirious bliss, and can't wait for the next one.

It was then homeward bound, to put myself together again in the privacy of my own apartment, for an evening out; of walking through posh hotel lobbies, gallerias, returning smiles to executive hunks, and walking proud and onward into fully-mirrored ladies' rooms, where women of my own age, mentality, size, and grace were primping, tattling, giggling, and yes, peeing (I know, I was in the next stall peeing myself).

My heart raced the entire evening. Such times are the only times I feel totally alive. As a pre-op on hormones for eight years, but only recently in earnest for surgery, thank goodness for nature's gift of elasticity of body and mind. If this femininity were out of reach, I wouldn't be here.

Love and joy,
Jean

Dear Jean,

That was a simply fabulous letter, charged with a great deal of chutzpah. Now readers at home: I don't necessarily recommend this kind of activity for the average drag queen, but I do enjoy accounts from people like you, Jean, that play the game at much higher stakes. Your style is very energetic and I hope we hear a great deal from you in the future.

Ready to Go!

Dear Kim,

I've been in and out of the closet, numerous wardrobe purges, and name changes. I've tended to stress the duality of my personality, falling short of a total

commitment to my femininity alone.

Things are changing, and fast. I can no longer suppress who and what I am. I've dieted, taken hormones, had electrolysis, and soon look forward to living full-time as a woman, and working for the funds to pay for further facial surgery; eyebrow arch, cheek implants, jaw and Adam's apple correction, plus breast implants,

hip augmentation, and of course, the crowning event, my very own vagina.

I'm fortunate that I've never developed male muscles with rough sports and activity, so, at forty-six years of age, I still have hope of being a fairly attractive girl for several years to come.

I will soon be sending you a few photos of my new and now permanent emergence, as I have finally committed myself to total womanhood. If they weren't going to be just great, I would not be so pretentious to send them to you, and therefore hope you do publish them. In the meantime, I've submitted a 150-minute "sex-change," which I have developed over time and follow rigidly when under time constraints. I hope your readers find it helpful.

My Dear Ms. Christy,

Although I've been a closet TV for some 20 years, I've only recently begun to come out. In doing so I have been shopping at a local TV boutique and came across your fantastic publication. I just love reading your magazine from cover to cover. I also have just about every one since #18. I've never written to a magazine column before, but a few articles and letters sparked me to write.

The women in you magazine are

simply *gorgeous*! Especially Morelle DeKeigh. There are two persons in particular I would like to mention in particular. In issue #29, a person named Laura wrote in and she mentioned she had "a long way to go to become a convincing-looking woman." She must be crazy! She is a gorgeous woman! No Kim Christy, though. As a man I would not be ashamed to be seen with her. We all need to respect ourselves a little more. Keep up the good work, Laura. The other woman is Karla Kunz (issue #40 and others). I so admire and respect her. She is such a beautiful woman! She is so courageous to live as she does knowing her wife and family disapprove. I would so much like to correspond with her. She has been so much help to me in my decision to come all the way out and live my life as a woman. Thank you Karla.

I am 38 years old, have been dressing in girls' clothes what seems like forever. Early this year I made a decision to put myself in the hands of a dominant woman who would transform me into the girl of my dreams. This woman is Lady Sabina of Seattle, Washington. By mail (at present) she is training me by mail. Her ultimate goal will be to place me in service to a dominant woman as her maid. If you want, I would be happy to share these experiences with your readers, Kim.

Thank again for your wonderful magazine. Keep up the *good work*!

With love and adoration,
JM

Dear J.M.,

Thank you for all the kind words for our readers and me as well. I have heard of people using the "by mail" method to begin to explore the word of their dreams, and I heartily approve. After all, sending letters is a "safe activity". And please write us in detail of your experiences as I'm sure we would all love to hear about it.

Stupid Slut

Dear Kim,

I've decided to write because I felt like telling you what a wonderful magazine you have. I just bought issue #40, are the two cover girls GG's or do they have special equipment. Have you ever considered doing *Cosmopolitan*-style covers? I'm sure that some of the girls in the battle of the VIPs or Miss Gay contests would look great. I also wanted to send you a short story. I hope you find it good enough to print. I am not nearly as pretty as you so my imagination has to carry me through the long cold nights.

You Stupid Little Slut
by Christie Lee Brown

My boss Sharon (she's the owner of the company) had asked me to help her get back at her boyfriend, at first I thought she meant she wanted to make him jealous. I was wrong. It seems they are heavy into S/M but that Ron had been a little too intense one night and now her back was badly scarred from a whip. She would have fired me if I refused to help. Her plan was to have me seduce him dressed as a drag queen, it seems he's AC/DC, and to go home with him where she would be waiting. With the two of us she felt it would be no problem to subdue him. Then she could extract her revenge. She had me dress in a G-string, garter belt, smokey black stockings, a very short red miniskirt with a matching blazer, a black silk blouse, with a 3"-wide black leather belt holding the suit closed, black pumps with 4" heels, and a wavy blonde wig completed the look. She took me to a salon and had very long red nails put on my fingers. The color matched the lipstick she had chosen for me. The skirt was so short that if I bent over you could see my garters. The only way to tell I was a man was that she had left my chest completely flat. The plan was working perfectly I had picked him up in his favorite bar, when we got to his apartment Sharon was nowhere to be found. I was suddenly pushed to the ground from behind. "Now you little Queen, I'm going to fuck your brains out." I was so stunned that I was speechless. Ron had me face down, and was kneeling on my arms. Before I knew what was happening he had shoved a large dildo

into my mouth and tied it there, it was so big I could barely breathe, let alone talk. "Sharon said she would be sending you over, Christie."

He dragged me into his bedroom and stood me at the end of his bed and cuffed my hands to the posts. He was so strong that I had no chance. My position was such that I was slightly bent over, I knew what was next. When I woke in the morning Sharon was smiling in my face. "From the

look on your face, Christie, I can see you don't like being fucked. If you don't want to be again, from now on you're going to live with me as my maid always dressed as a woman. At work you'll be my sexy little sextary, the talk of the whole company in your too short skirts and bleached blonde hair with your nails so long you can't even type. To complete your humiliation it will be obvious to everyone that you got your job because I'm a lesbian. You stupid little slut. Now get my coffee."

Thank you Christie Lee, for that charming little fable. It's interesting how our fantasies are often so revealing.

Write more again to us soon,

**Best,
K.C.**

Dear Kim Christy,

Thank you for showing us Morelle DeKeigh. You have made me very happy, for Morelle is the girl of my dreams. She is my life-long fantasy come-to-life. I know it is foolish to want the most unlikely dreams to come true, but to love and be loved deeply by a cherished person is the greatest, most satisfying fulfillment in life.

Perhaps Morelle can have it all, her looks alone are priceless. I wish her the greatest possible happiness, and that, that darling and adored man-of-her dreams, and she will share the deepest and most fulfilling of commitments to each other. May they find each other and endure. (Would that THAT HE could be ME!)

C'est la vie,
C.B. — #FAN

P.S. This is my first fan letter to any person or magazine ever. I am a new, green, closet TV (4 years); a loving fan of yours, too; and *F.M.I.* Bye.

Proud Woman

Dear Kim,

I just bought my first copy of *F.M.I.*, and I loved it! It makes me feel good to know that there are thousands of girls like me out there! I've been in the "closet" but it is just a matter of time before I come out! I will forever be a buyer of your magazine, it really helps me know who I am and what I want to be! You're like a role model to us girls and I love you for that because you have touched so many of us queens by your articles, pictures, etc.!

Someday I will like to take hormone and estrogen but for now I'm just proud to be the woman that I am because there's nothing on earth better! My dream is to meet a man who would make me his woman totally, so I can wake up and look at myself in the morning and see breasts and hips and no more penis, but a vigena! Kim I used to think that there was something wrong with me, instead of suits, I wanted dresses and instead of overalls, I wanted skirts! But you helped me believe what I really knew all along. That I am a woman!

All my love,
Sharon

Love, Sally

Pam tells Sally how she "got that way."

Prunella. You're no more boy than I am. Maybe I can make a decent girl out of you with some proper training. Now get moving!"

I retreated to my room terrified. I know that she wasn't kidding, and while she could be nice at times, she could also be terrible when angered.

What was I going to do. I looked at the awful clothes and shuddered, but decided I had better put them on. I didn't need any more slaps, and besides I thought no one will see me in them but Mother. That thought almost brought tears to my eyes. What kind of boy was I that caused his own mother to embarrass him by putting him in a dress! I was beside myself as I stripped and dressed in the "almost" feminine attire. The mirror revealed something right out of Dickens, and I had to wonder why she had chosen this garb to humiliate me with.

When Mother saw me coming out of my room even she had to choke back a laugh, and I thought she might relent, but no way. She gave me instructions of what she wanted done and how to do it and away I went with dust mop and broom and gloomy thoughts of my future. From then on I had to dress in my "ugly duckling" clothes when I got home from school, do my chores, and stay dressed as Prunella until I went to bed. I didn't know what Mother's plan was, but I knew that she had one. One that I wouldn't like.

One day after arriving home, and donning my maid's outfit, Mother said, "Today instead of your usual chores, we're going shopping. I think it's time you learned something about groceries and how to pick them out. You'll be a great help to me when you can do the shopping yourself." I was delighted to get out of cleaning. "Wait, I'll change my clothes." "That won't be necessary, dear, you can go as Prunella." The blood drained from my body. "But, Mother." "No buts, you'll go as Prunella." "But I can't . . ." WHACK! The slap brought tears to my eyes.

I could hardly breathe as we walked to the shopping center. My

I was just delighted to see my dear friend Pam. It had been such a long time. I was always curious about how my friends had developed into such lovely feminine personalities. So I asked Pam how she got started along the feminine road. "Well, Sally, it all began when my father left Mother and me when I was a youngster. He just couldn't stand my mother's domineering personality . . ."

"But Mother, I can't lift it. It's just too heavy." "Oh, for Heaven's sake, can't you do anything?" So, Mother carried the garbage can out, and made me feel like two cents as usual.

"I don't know why I have to do everything around here. What good are you. You can't fix anything, you can't lift anything, and you're no help at cleaning or washing." "Oh, Mother, please. I'll help you clean the house if that's what you want." "Well, it isn't exactly what I would expect of a boy. But maybe we can arrange it so you'll feel more comfortable doing housework. You don't seem to be able to do any man's work around here."

Mother was right. I wasn't big and strong and I really never had any masculine training from my father because he was never home so I had developed into a rather shy, introverted young man without

goals or purpose other than to get out from under my mother's apron-strings and constant criticism. But what she had in store for me was beyond my wildest dream.

I came home from school right after the last class, as usual, the next day to do homework. But I wasn't prepared for what happened the minute I got inside the door. Mother greeted me with "I'm glad you're home, Prunella. From now on we're starting a new work schedule. Housework first then homework. You'll find your housework clothes on your bed." Prunella? Work-clothes? What in the world was she talking about. I went to my room to find the most grotesque looking clothing on the bed I had ever seen. A black flannel dress, black cotton slip and bloomers, and black cotton stockings with something I couldn't describe to hold them up and black Mary Jane shoes. I became nauseous I was so afraid of what was about to happen. But I gathered my courage, and went out to face my mother.

"I am not going to wear those clothes. I'm a boy, and . . ." WHACK. I got a slap across the face that sent me reeling. "You are going to wear those clothes, and you are going to do the housework around here from now on, and anything else that I want you to do,

heart was in my throat and I couldn't look to my left or right. What would I do if any of my friends saw me. I was glad to finally get inside the grocery store, but as we entered, two cute girls, about my age, walked by. One was wearing a pretty dress and nylons and heels, and the other had on a sheer blouse that showed off her slip, skirt, nylons, bobby sox and loafers. They both stopped to stare for a moment before starting to giggle, and I heard one say to the other, "I wonder if she's wearing black cotton bloomers." Then they both howled with laughter. I started to faint, but Mother caught me, and I said, "Please Mother, I can't stand it. I'll do anything you ask, but please get me out of these clothes." "All right, dear, but let's finish our shopping and we'll go home and talk about it." I was trying to shrink into the ground before we got home.

As we put our groceries away, I begged her not to make me go out dressed as I was again. "I think that can be arranged, dear, if you promise to be a good girl and do as Mother says. I know what is best for you and I want to be obeyed." I waited for the ax to fall. "Would you like to be dressed like those two pretty little girls we saw in the grocery store?" "But why can't I . . ." "Now I'm trying to be nice. Do you want to go on wearing the clothes you have on?" I know I couldn't win. "No, Mother." "Will you behave and be the obedient daughter that I would like you to be?" Now I know the plan. That's why she dressed me so terribly. She wanted an easy acceptance, in fact, a grateful acceptance to be out of those awful clothes. "Yes, Mother." "We'll go shopping tomorrow for your new clothes. And you won't be going by the name of Prunella. Your name will be Pamela, a name that I had picked out for you before you were born." I couldn't believe she was serious, she actually wanted to turn me into a girl. Forever!

But, I thought I had better go along with the act at least until I could change things, and at that

She continually asked me what colors I preferred and how much lace trim I liked.

point I was determined to change things. I wasn't about to become a girl. After I left home, I would change right back into a man again.

I was never so mortified in my life, the next days, as Mother held slips and panties up to me to see how they would look and fit. She continually asked me what colors I preferred and how much lace trim I liked. I was exhausted when we finally got home, but Mother insisted I dress in my new clothes right after we put them away in the bureau and closet that used to hold my boy's clothes. I wondered if I would ever see them again.

As we laid the silken garments away, I was told to keep the items aside that I wanted to wear, so I did, and as we finished hanging up the last dress my bed was filled with a lovely pink nylon slip and panty set, bra, girdle, nylons, and blouse and skirt. Mother said I should also wear heels in order to get used to them. After I showered she helped me dress, and then made up my face. And then, gave me the surprise of my life, a beautiful little blonde wig that she said I should wear until my own hair grew out. I must admit that it changed my whole appearance, and I wasn't too unhappy with what I saw in the mirror. In fact, the vision caused my penis to swell to the point that I thought my panty-

girdle would burst. It was hard to believe that I was giving my own self a hardon. Then I wondered, was it possible that I would be giving other boys a hardon. Would they want to screw me. The thought sent chills through me and I felt the dampness in my panties.

"Pamela, you look lovely. You're going to be a beautiful girl. Do you like your new image?" "Uh, yes, Mother the clothes look very nice on me, and I love my wig." I decided I would go along and do whatever she asked just to pamper her because I knew it was only temporary, and I could be a boy again soon. Or so I thought.

"But, Mother, what are we going to do about school. I have one more year to go, and I can't go dressed as a girl." "I've already thought of that, and next week you'll be starting private school, a girl's school, and I've arranged everything." And sure enough the next week I was introduced to the head mistress as Pamela Stevens, and Mother and Dr. Brown, our family doctor, had arranged everything, and so my last year of high school was to be spent as a girl at a girl's school.

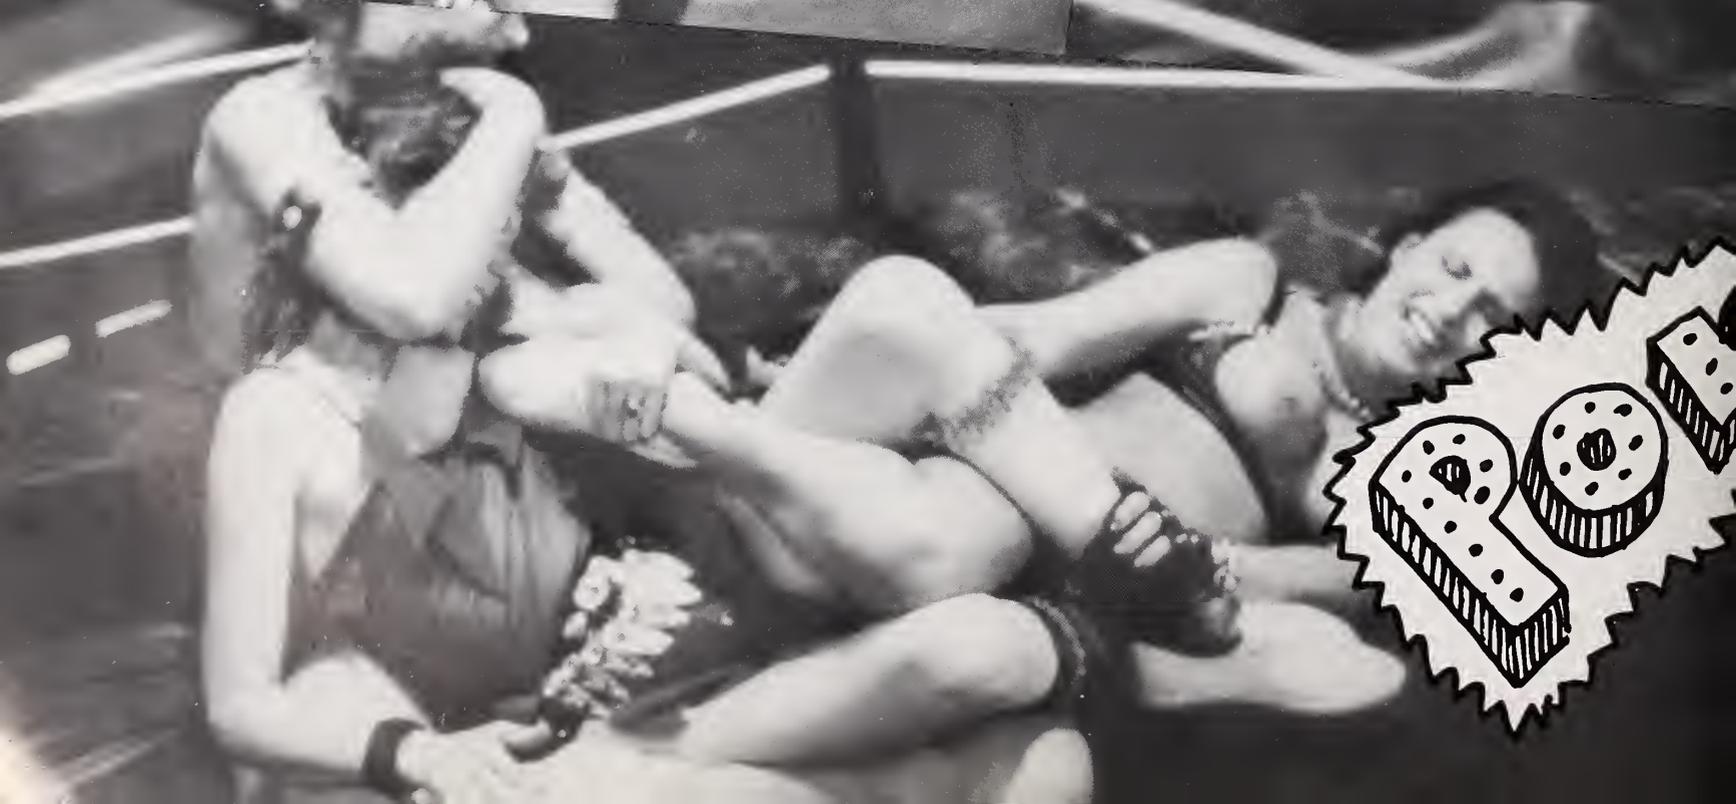

I had spent the entire week before going to school learning how to walk, talk, sit, stand and act in a totally feminine manner. Mother had even taken the precaution of

What it's like to be in a Kim Christy video

By Tina Alameda

We decided about a month beforehand that we were going to highlight shaving in our Volume Two of the "Art of Femininity." Kim and I and a few of the staff people sat around her sumptuous office and tried to hack out the details. Well, when it came time to find someone who'd be willing to depilate we were hard up for models. Now, I don't make the most lovely woman in the world. Kim constantly reminds me of that. But I do have pretty good legs and I like to show them off.

Well, like most of us out there, I never took the plunge before, I always wore two pairs of pantyhose to cover the very dark hair on my legs. I never had the opportunity to feel sheer stockings on my bare legs without that irritating cushion of body hair between my flesh and the cool slippery nylons. So I raised my hand in that staff meeting and boldly volunteered to go where this man had not gone before.

At first, Kim did not seem too thrilled. There was a little hemming and hawing and chin rubbing. Finally, Kim said, "Well, Tina darling, I can't possibly decide about this unless we can all look at your legs while we toss this around."

"Fine," I said, "I'll wear some shorts into the office tomorrow and you can look then."

"No dear," Kim replied, "we should really settle this now. We're all friends here, can't you just lower your jeans to your ankles and let us all have a good look?"

The two women on the staff started to giggle at this point. I blushed and stammered. You see, Kim is the only one who has ever really seen me in women's clothing. I always wear jeans and T-shirts around the office. I don't think I really pass in the outside world as I am 6'4" in heels so I keep my dressing up as an intimate affair.

"Come, Tina, we don't have all day," Kim said rubbing a pen tip across those lovely lips.

Oh god, why had I worn tiny black sheer women's panties that day? I mean, the staff and the offices of F.M.I. should be more liberal than anybody about these things, but Kim has this certain way of making you feel so . . . I don't know, overpowered, I guess. Plus, I just don't talk about

drag at the office much. Hard as it is to believe, our own feminine aspects just don't fit into the office day . . . until this time, of course.

"Tina, do you want to be in this video or not?" demanded the pen-tapping publisher behind the glass and marble desk.

So I stood up and walked to the center of the room and pulled the top button of my jeans. Kim smirked. Ginger, one of the two women, gasped, maybe they thought Kim was just daring me and I wouldn't do it. Eleanor kept a frozen face in a perfectly professional manner. My pants hit the floor exposing my better-than-average legs and my micro bikini. Kim saw the front view and the two women saw the sheer, nearly transparent rear view. I saw blush red.

"Well," Kim said wryly, "you certainly could use the shave."

Ginger and Eleanor both laughed at that one.

"Come Tina, turn around so we can all get a good view, and I'd better not find a tiny pair of sheer black panties missing from the costume department."

I reluctantly shuffled in a standing circle with a slight tingling beginning in my crotch.

"Tell me ladies, what do you think about using Miss Tina's legs in our new video?"

The women burst into full laughter, "I wish I had his thighs," Ginger giggled, "but you'll have to do something with . . . that middle leg!"

All three of them laughed at me and I just stood there. Finally I bent over to pull my pants up . . .

"Whoa, Nelly," Kim interrupted, "I think we need an outside opinion." Kim leaned over the intercom and pressed the speaker button to the warehouse, "Pito — Jose, can you come in here for a moment? I want you to see something." Kim's voice rang out over the whole building.

"Oh Kim, no please . . ." I sputtered.

"Now dear, we've had the women's view don't you think we should get the male perspective?" Just then the door burst open and the two strapping Puerto Rican warehouse boys barreled into the room.

"Ay, chica!" whistled Jose.

"Tell me boys," Kim said smiling sweetly, "what do you think of Miss Alameda's legs?"

Both of the Latin men looked up and down my entire form, Pita smirked as his eyes rested on my panty-clad bottom and Jose began to circle me absent-mindedly playing with the long tube of uncut meat in his baggy chinos.

"Ay, Miss Tina, you got better legs than my seester!" Pito remarked.

"Thank you, Pito," I said politely to him, keeping my eyes locked on Jose as he encircled me. It was all I could do not to look at his hand cupping those massive balls in his pants.

"Yah. Ju got good fuckin' legs Tina, but ay, you need a shave baby, ju got a lot of hair down there."

With that the whole room burst into laughter.

"All right everyone, show's over. Tina, for God's sake, pull up your pants, will you?"

Well, the rest is history . . . or herstory as they say. The actual filming was alot of hard work, but fun. Tantala was a dream. I told her that I'd never done a video before and she was so sweet and lovely to me, always reminding me to keep my head up. She's a real pro. And what a thrill it was to finally see what my legs and chest looked like under all that hair. It's still growing back and it itches all the time. Pito and Jose helped during the actual filming and after we filmed the initial shaving sequence, Kim told the two boys to take me into the bathroom and finish the job. Well they got carried away and shaved way higher than they had to. But I was scared to say anything as I stood in the tub with my hands against the wall. Pito and Jose were laughing and talking in Spanish while they whisked the razors up and down my slender thighs. Before I could say 'Halto!' they had pulled my cheeks apart and were shaving right **in there!**

Well, you can guess where the hair is the itchiest growing back. And both of those scamps peek their heads into my office from time to time to see me squirming on my draughting stool.

THE ART OF FEMININITY, NO. TWO

Well here 'tis at last. We all feel that this is the best of our Leoram produced F.M.I. videos yet! In the sequence pictured on these pages, the luscious Sherrie O'Neal seduces the young pool repairman, George, into exploring his feminine side. George is overwhelmed by Sherrie's beauty, as we are too, and submits instantly to her will. George is shocked when he sees for himself the magic of Sherrie's artistry. He begins to open up and enjoy his girl-self and we see that Sherrie, too, is attracted to her own creation. They name him Michelle and he is charmed to become Sherrie's lesbian lover.

Now that the lovemaking is over it's time for Sherrie to finish her transformation of George into Michelle and she whisks him off to a chic cocktail party where only the coolest of the she-creatures attend. Summer St. Cerly is there with her new protege, Tammy, and we see Summer's handiwork in action. The four "girls" party hearty until the doorbell rings. It must be Tina Alameda and Tantala!

When Tantala's not playing highly-sexed and powerful dominatixes in Kim Christy's film, she likes to toy with the numerous tradesmen and repairmen that traipse through her life. And Tina Alameda is the lucky man to be fixing her drapes today. In a matter of moments, Tantala has the hapless Tina in a long red silk robe sensuously shaving the masculine hair from Tina's pretty long slender legs.

Here is the final product of FMIization. Chic and sleek and ready to party with the likes of Tammy, Michelle and Sherrie O'Neal!

ARE YOU MALE, HETEROSEXUAL, submissive, and interested in crossdressing? Does the thought of being forced to wear feminine clothing all of the time absolutely thrill you? Do you like the idea of being dressed in skirts and trained to mimic female speech and behavior? Do you dream of becoming totally feminized, in mind as well as body, without actually having a sex change operation? Would you give up the life and privileges of a man to become the obedient, pampered, crossdressed male wife in a marriage to a dominant, aggressive female husband? Do you know the meaning of phrases like — "petticoat punishment" — "corset discipline" — "forced femininity" — "sissy"? How would you feel if you had to dress completely as a female in every detail and appear in public before men and women who knew that you were really a man? Would you feel silly and foolish if you were made to wear a sanitary napkin in your panties? Do words like girdle, garter belt, nylons, high heels, lipstick and lingerie make you blush? If you find these questions interesting write and ask for a free copy of The Sissy Times newsletter. SASE required. See illustration. **F572**

A new Star on The Horizon:

THE SISSY TIMES

The Sissy Times is a charming journal that is accurately described in the editorial that we have reprinted below. Sharon Ann Stuart is the publisher of this limited edition publication. Sharon has worked for F.M.I. as a freelancer for some time now and we are pleased to see her talents culminating in such a great format. Ordering info is in the editorial below and we hope you enjoy these excerpts we have reprinted.

A SISSY TIMES EDITORIAL

Dear Readers:

Noah Webster says in his *New Universal Unabridged Dictionary* (second edition) that a sissy is a boy or man whose behavior, tastes, interests, etc. seem more feminine than masculine.

Well, Noah, we at *The Sissy Times* think that your definition is a bit simplistic and wimpy to say the least. In our estimation a sissy not only "seems" to have more feminine tastes, interests, behavior — a sissy is more feminine in all those respects.

This publication is dedicated to sissies and their female companions and friends. In these pages we hope to explore the sissy lifestyle in fact and fantasy. *The Sissy Times* is a serious publication in one sense and in another sense it is intended to be "just for fun."

Our stories and articles will be concerned with crossdressing, petticoat punishment, corset discipline, male submission and humiliation and with female superiority and dominance. If these somewhat related topics are of interest to you then *The Sissy Times* will be a worthwhile investment.

At a time when the world is faced with the deadly spread of AIDS it behooves everyone to avoid promiscuous sexual contact. Sissy males can take some comfort in the fact that they are typically asexual or heterosexual and thus more likely than some to confine their erotic activity to themselves or to a single partner. Of course, monogamy offers no absolute guarantee of immunity

“OUR CONCERN
WILL BE WITH
CROSSDRESSING,
PETTICOAT
PUNISHMENT,
CORSET DISCIPLINE,
MALE SUBMISSION
AND HUMILIATION,
FEMALE
SUPERIORITY AND
DOMINANCE.”

from AIDS but it helps to minimize the risk.

The Sissy Times is a labor of love undertaken for the benefit of kindred spirits and friends. The premier issue is distributed without charge. However, we must charge \$5.00 per issue for succeeding numbers to cover our production and mailing costs. Issues of *The Sissy Times* will be published periodically on a somewhat irregular schedule but we do hope to distribute at least three numbers each year.

We ask that *The Sissy Times* be read and circulated among adults only and kept out of the hands of children.

We invite you to write to us at any time but it is important that you use this address:

Stuart Publishing Co.

P.O.Box 870

Oneonta, New York 13820

Do not address any correspondence to *The Sissy Times*.

Proposed articles for *The Sissy Times*, drawings and stories or letters should be directed to the address above.

No compensation can be made for material submitted but you will receive a complimentary copy of the issue your article or letter appears in. Material submitted will not be returned.

We hope that you enjoy reading *The Sissy Times* as much as we enjoy preparing it.

FIFTEEN GENERAL RULES FOR SISSIES TO OBSERVE

1. All body hair should be removed by shaving or the use of commercial depilatories at least once a week. Facial hair, i.e. beards and mustaches, are strictly forbidden. Hair on top of the head should be grown out to a longer length but sideburns must be trimmed short. Hair may be dyed or tinted. Hair should be shampooed and conditioned daily and kept neatly arranged and combed. Advanced sissies should have their hair permed and set in a feminine style.
2. Fingernails and toenails must be kept in immaculate condition at all times. Fingernails should be grown to a longer length and shaped to rounded points. Advanced sissies will wear clear nail polish on their fingernails at all times. Toenails are to be pedicured and kept lacquered with two coats of clear base and two coats of lacquer (any shade) at all times. Polish should be removed and replaced at least once a week.
3. You will wear only female undergarments including any one or any combination of the following: panties, girdles, pettipants, garter belts, hosiery, pantyhose, teddi-slips, chemises, bras. You will wear these items under your normal male attire every day. Advanced sissies will wear at least one female outergarment with their male attire in addition to the underwear. All sissies will sleep in a feminine nightgown. Always wear a bra and falsies to bed as well. Advanced sissies will also wear a wig and makeup to bed. Only feminine lounge-wear is to be used around the house.

“HINTS OF MAKE-
UP SHOULD BE
WORN DAILY WITH
MALE ATTIRE, BUT
SHOULD NEVER BE
OBVIOUS.
ADVANCED SISSIES
WILL USE MORE
MAKEUP AND BE
AS OBVIOUS AS
THEY LIKE.”

4. You will use only feminine deodorants, shampoos, conditioners, skincare products and fragrances.
5. You will pluck your eyebrows and shape them at least once a week in order to achieve a more feminine appearance. Hints of makeup should be used daily with male attire but should never be obvious. Choose one type of makeup each day and use it lightly, e.g. lightly pencilled brows of a touch of mascara. Advanced sissies will use more makeup and be as obvious as they like. The advanced sissy will also have his ears pierced and will wear appropriate jewelry in each lobe.
6. At least once a day you will perform some chore or service for a woman without compensation. Example: Make and serve coffee at the office; run an errand; carry parcels for a lady.
7. At least once a week you will crossdress yourself as completely as possible and make-believe you are really a woman. You will be made up, wear a wig, and be dressed in a complete ensemble with appropriate accessories. You will spend a minimum of four hours crossdressed. If possible, you should take at least one picture of yourself while you are crossdressed and keep it with your diary or in a picture album. During the time you are crossdressed you should carry out some appropriate feminine chore or activity, e.g. housework, laundry, sewing, kitchen duties. The advanced sissy will crossdress completely seven or more times a week and will frequently appear in public as a female.
8. In the presence of a woman or a group of women you will always be in a passive and subordinate role. Always smile and present a cheerful outlook. Don't argue with a woman or presume to correct her. Always be obedient, cooperative and courteous. Open the doors and hold the chairs and be very attentive when you are asked to act as an escort.

A new Star on The Horizon:

THE SISSY TIMES

You will never make sexual overtures or attempt to play an aggressive role in social relationships. Advanced sissies will be noticeably obsequious in public in the presence of a mistress.

9. You are to keep your body physically fit and trim. Exercise regularly: follow a sensible diet and get plenty of sleep. A healthy sissy is a happy sissy.
10. Once a month you will mimic the female menstrual cycle. In a future lesson you will be given explicit instructions on how to carry out this assignment. In the meantime, you may begin by wearing any brand of post-menstrual panty-liners in your panties daily.
11. Keep a diary of your feminine thoughts, experiences and your crossdressing occasions. Keep notes in the diary on the exercises you complete, the purchases you make and any feminine activities you engage in. Also keep a record of your menstrual cycle and notes on your sexual life. A few lines a day will suffice but be faithful about making the entries.
12. Read women's magazines and books — as many as possible; watch television shows of interest to women, e.g. soap operas; and study women's fashions in newspaper ads and in the magazines.
13. Cultivate a feminine hobby, e.g. doll collecting, needlework, cooking, floral arrangements.
14. Pick out a feminine name for yourself and use it as much as possible. Practice cursive writing that looks more feminine. Study feminine mannerisms and speech patterns and do your best to imitate them even when you are dressed as a male. Always sit

“ONCE A MONTH
YOU WILL MIMIC
THE FEMALE
MENSTRUAL
CYCLE. IN A
FUTURE LESSON
YOU WILL BE
GIVEN EXPLICIT
INSTRUCTIONS ON
HOW TO CARRY
OUT THIS
ASSIGNMENT.”

down to pee. Practice sitting with your knees together. Bend your wrists and elbows and carry your arms above your waist. Practice a shorter gait and try to make your hips swing a little.

15. You are encouraged to masturbate as often as possible unless I instruct you to abstain. During your menstrual period you will be abstaining from sex and masturbation for about six days. Whenever you masturbate make certain that you are wearing some female garment. Advanced sissies will be subjected to longer periods of abstinence. All sissies should be prepared to taste their own cum.

Here are three exercises for all of you sissies to do between now and our next issue:

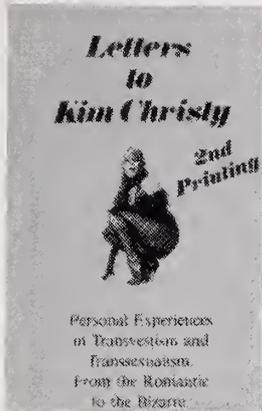

1. Prepare a typed or handwritten inventory of all the female clothing that you now own. The inventory should contain the following information:

Item & Quantity	Color	Material	Size	Remarks
Panties 1 pair	Pink	Stretchlace Cotton	7	Warners
1 bra	White	Cotton	36B	Vanity Fair/- Under- wire Cup

2. Compose an essay of 400 to 600 words entitled “Why I Am A Sissy.” Submit your essay to *The Sissy Times* for publication.
3. Purchase at least one new female garment or accessory during the next two weeks.

These should be easy exercises for any true sissy to accomplish. The fifteen general rules, on the other hand, are not so easy to comply with. Nothing comes easy, dearie. You will have to work hard if you really want to be a sissy. Good luck all you little skirted sweetiepies.

making sure that I took a special "vitamin pill" every morning that she said would help me with complexion problems. So I didn't have a lot of problems fitting in except with all the questions that the girls kept asking me about feminine things and did I have a boyfriend, etc.

Things seemed to be going pretty well after a couple of months, and I thought I would be able to last out the year in spite of my friends trying constantly to fix me up with their brothers and friends of boyfriends. None of them had ever seen me with a boy, and I knew that two of my best friends were beginning to wonder about me. But I tried to justify it through having a hard mother.

One day, after getting home from school, Mother said, "Honey, I understand that the big school dance is

next month. You are planning on going aren't you. I hate to see you being alone so much." "Why no, Mother, I don't plan to go and have to dance with boys!" "Why not, dear. You are a lovely girl now, you know." "Mother! You know I'm not. I'm just pretending." "Honey, have you noticed any difference in your body in the last few months?" I had noticed, and I was getting very worried about it. My breasts were enlarging, and together with my padded bras I was really beginning to stand out. And my hips were different. Wider. And my peach fuzz had disappeared, completely. "Why, yes I have Mother, and I don't understand it. What's happening to me?" "Dear, you're just beginning to blossom into a true young lady, and I think it's time for you to act like one. I want you to go to the dance. Your friend Mary told

me about it, and how they've been trying to fix you up with dates time and again." "But, Mother." "No buts, dear. You're going to the dance. And I guess I should let you know now that those vitamin pills you've been taking were just that. Female hormones. And you're well on your way to womanhood." "Mother, you wouldn't! You can't do this to me. It's not right." "It is right. You've never been masculine. Not ever. So the next best thing is to be completely feminine. And I'm going to see to it that you are. Complete with an operation to change your sex in a year or two." "Mother!"

I was devastated. I couldn't believe it. She had won. Now I couldn't change back after school to the man I wanted to be. I was to be a girl . . . forever.
