Dear Ones,

Well, I made my yearly sojourn to the Big Apple this last December and tried to make the rounds as best I could. However, I'm not as acclimated to the cold as I once was. All these years of patio living here in the Big Orange have thinned my blood to the point that going out of doors in New York's mid-thirty degree weather (which is warm by their standards) was often more than challenging.

I did make it to a performance of Charles Busch's, "Psycho Beach Party." Mr. Busch is destined to take over the seat vacated by Mr. Ludlum. And probably more. His most previous show, "Vampire Lesbians of Sodom," which I didn't see, is reputed to be doing quite well and is still playing to the throngs. This show from the title it seems, stays in the classical vein suggested by the titles of Mr. Busch's other productions: "Theodora, She Bitch of Byzantium," "Pardon My Inquisition or Kiss the Blood Off My Castanets."

So that it would seem that "Psycho Beach Party" is a departure for Mr. Busch. We thoroughly enjoyed it. A lively and attractive cast complemented by a "hypnotic" set and charming period costumes made for a breezy evening of off-broadway theatre.

What made this more interesting than a regular drag show was both the plot and the casting. The central figure, Chicklet, played by Mr. Busch, is a Gidget-like girl with a Hitchcock kind of twist. Seems that everything's hunky dory with this pert teen besides the usual teen problems: slow breast development and raging hormones. But if you mention the word "red" she suddenly changes to a murderous she-devil who lures innocent young surfer boys into her power. Plus an assortment of dead bodies have been turning up on the beach.

Not all the female roles were played in drag. Actually, only two of them. But somehow Mr. Busch's camp sensibilities pervade. Chicklets domineering mother in Joan Crawford regalia was an obvious choice to be played by a man and yet the woman they cast was so perfect. Much on-stage wrestling of mother and daughter with huge white panties showing under flapping skirts. Need we say more about that?

It was rather funny, in a perfectly appropriate way, to see all these young New York actors in skimpy summer attire doing a send-up of '60s beach movies while the freezing winds howled outside. Some of the flesh exposed was fairly attractive as well, especially that of Mr. Robert Carey who's character "comes out of the closet" in a long on-stage kiss with his best friend.

We also had the chance to visit Lee's Mardi Gras, the New York book store (they have a boutique as well) on the west side of mid-town. It was a particularly frozen afternoon and I was fairly incognito that day so I sort of whisked in and out. But what I did see satisfied me. A friendly atmosphere with sleeping cats here and there and a huge amount of material to choose from. If you want to flip through back issues of F.M.I. before you buy them this is the place to go. I got a stack of stuff myself which I'll try to share with you in future issues.

I hope those of you who appear in our readers' photo section approve. And I hope we spelled all of your names right! I think we have the most charming and happy looking readership around. I have looked at some of your photos and read some of your letters so often that I feel you are like old friends to me. Well, not that old. Anyway, I think you all make a lovely photo spread.

Keep it safe.

Love,
Kim

P.S. Oh god, I may slash my wrists if I get this wrong one more time. "The Art of Femininity," Part Two is \$49.95! Ignore all previous offers, they are all misprinted, at least the ones in this magazine are. Those of you on the mailing list have been getting the correct figures but us magazine folk just can't seem to get it right. This is really the last time I'll correct myself on this deal, I promise. Thank you for being patient with this senile old drag queen.

Letters to the Editor

If you wish to write to Kim and possibly have your correspondence published, please address it to Kim Christy, C/O FEMALE MIMICS INTERNATIONAL, P.O. BOX 1622, Studio City, CA 91604.

Real Woman's Point of View

Dear Miss Christy,

I don't imagine you get many letters from women. I'm writing because I recently saw a copy of your magazine that had a letter from my darling Karla. Actually, Karla showed it to me, she was so PROUD of it. My name is Jill and I've been living with Karla for four years. I never thought I'd be living with a woman with a cock, but I LOVE it. Maybe you'll be interested in a real woman's point of view on the experience.

I always call Karla "she." I can't think of her in any other way. She has worked so hard, with

the Fonda exercises, plastic surgery, and practice to feminize herself. I'm enclosing two new photos of Karla and me. I'm the brunette and Karla is the one with the blonde hair which is ALL hers. For the photo, I dressed Karla as a Victorian lady, with a crushed velvet dress, boned corset, petticoat, and high-heeled laced boots. She makes a very, VERY sexy gal, don't you think?

I know Karla enjoys being ogled by men, but when it comes to sex it's strictly women, namely me, for her. We play a number of sex games, including one we call "MAID AND MISSTRESS." When I'm the maid, I usually make drinks and prepare a perfumed bubble bath for Karla. I'm in my French maid's uniform, of course. I let Mistress Karla soak, then I dry her lovingly on big, soft towels and smooth Oil of Olay all over her fragrant body, paying special attention to her pubes and cock. If necessary I shave around her cock, because I think a hairless cock looks so MUCH sexier. It also means Mistress Karla can wear skimpy little bikini briefs. Then I dress her in, for example, a lacey padded bra with matching waist cincher, which I pull very tight. I help her smooth on her stockings and put on a brocade peignoir and shoes with 4-inch heels. We finish her makeup and hair.

Although I haven't been with a lot of guys, like most women I like BIG cocks. Karla has one, it's a monster, very long and very thick, with a heavy set of balls. My reward as a good maid is to gently lick and kiss Mistress Karla's cock from its roots to its huge head. I open wide and try to deep throat her cock and then suck hard. I LOVE eating and sucking until Karla's cock is steely hard. She can withhold exploding for a very long time, which gives me oodles of time to lick and fondle her cock and play with her balls. If this sounds like FUN, it IS! FINALLY, Karla erupts and fills my waiting mouth with GOBS AND GOBS of hot, luscious semen. Her little maid LOVES

Jill

Karla

that!

Sometimes we also play a game called "SANDWICHES." I share Karla with my best girlfriend, Janice. One of us gives Karla head, while she eats our pussies. Or we use a vibrator on Karla's sweet asshole, while one of us eats Karla's cock and she fingerfucks the other. It gets pretty WILD, but it keeps our relationship fresh.

Fortunately, Karla and I can wear many of each other's clothes, which is an added erotic thrill. It seems like we're one woman when Karla is in my panties and hose and I'm wearing some of her intimate apparel. Last month, I gave Karla several sets of EVAN PICONE Teddy Hose and Thigh Highs. I wanted to cheer her up, because she was going through her 30th birthday trauma. Besides the black lace panty and lace top of the hose look so dramatic against her milky white skin. Karla could easily be a hosiery model with her curvy legs and tiny feet. I also love seeing her big cock encased in a sheer panty. I LOVE massaging her bulge until her cock stands straight out and I see a wet pre-cum stain appear on the fabric. DOWN those panties come and I give Karla another blow job before she fucks me long and hard. Karla is the only partner I have ever had multiple orgasms with.

Well, I've been a bad girl, telling you, a stranger, my secret sex life. It feels GOOD though to write this. Karla and I have a strong, lasting mutual affection. The hot sex is wonderful, but we often just cuddle too, holding each other close, letting our perfumes mingle, stroking each other through our filmy underthings. I love the sound our stockings make sliding together.

To close, I'd like to say I get much more out of a relationship with a sex partner who can be manly without being macho. Karla isn't hairy or muscular or aggressive like a man. She is VERY affectionate, thoughtful, caring, and sensitive. Just like the woman she almost is. I can't

"Well, I've been a bad girl telling you, a complete stranger, my sex life."

imagine sex anymore with a man who was not like Karla, totally feminine, except for her super-male cock.

Kim, are there more women among your readers like me? I think there would be longer and more loving relationships if women sought out guys like Karla who are as feminine as any real woman can be. One more thing, the photos of the girly guys in you magazine are GREAT. They put a lot of real women to shame.

Very best wishes,
Jill

Dear Jill,

Oh goodness, the last thing we want to do is put real women to shame, unless of course it's what they want. Real women like you are hard to find and worth their weight in gold as I'm sure Karla will attest to. I have always enjoyed Karla's correspondence and wish the best for her which she already has . . . in you.

Thanks for your story.

Love,
Kim

Logger By Day

Dear Kim and Linda,

I have to write to tell you how much I enjoy your magazine. It is exactly what I've been looking for. It's nice to know that I'm not alone, that there are others who

share my interests and there are people like you to remind us that we're not freaks.

I live in a small community up coast from Vancouver, Canada. By day I'm a logger, I fall trees and operate heavy machinery. My evenings and weekends are spent wearing pretty dresses and high heels. If anyone found out I'd simply die. Loggers are supposed to be "macho," anyone else just isn't a man. I would like to tell my story to someone who understands. I've been a transvestite for six years and it started so innocently.

My wife and I were going to a Halloween party, she as a hooker and I as a bum. She thought it would be fun if we switched roles. At first I refused but she kept on about it. Finally I gave in, but none of her clothes fit. We went to thrift stores until we found a see-through blouse and a mini skirt that fit. The bra, panties and high heels were bought new. I felt really silly when I tried it all on. My hairy legs looked ridiculous under sheer stockings. Sue (my wife) talked me into shaving my legs but it took her a while. She bought some "Neet" hair remover and the night of the party I did what I had to. When I put those stockings on for the second time I could not believe how wonderful it felt. By the time I finished dressing I had a hardon like never before. When I began walking around in my high heels I realized I was really enjoying it. My hardon had jumped out of my panties and the bulge in my skirt was obvious. Within minutes Sue and I were making love like never before. We both knew that we had found something special.

We went to the party as planned but I had a hard time trying to conceal my hardon all night. I am still kidded about it six years later. Little do they know how much fun sexually I have. But more important is the emotional side. I feel so very feminine it is impossible to describe. I want to cry out and say, "Here I am world, accept me as I am, a man

who feels pretty and wonderful inside and wants to be pretty and nice outside." However, reality prevails and I must conform. Maybe some day I will come out of the closet, but not in a small town like this one.

Over the years I've accumulated quite a wardrobe, more than most women have. Sue and I shop for lingerie together, we are best girlfriends as well as husband and wife. If I had to start all over again I would have become a transvestite twenty-five years ago. I'm 36 now.

In closing I'd like to say thanks for listening, it's nice to know that you understand how I feel. If you find the time, I'd love to hear from you even if it's just to say you received this letter. Feel free to print it.

Love,
Jennifer Blair

Dear Jennifer,

God, what a great letter. I like to hear from people who heartily enjoy dressing and are lucky enough to share it with their wives. Also, a special turn-on for me is a big butch guy like yourself making the switch. I even like guys who still look like guys when they dress. It's a different thrill than the one I get from seeing a really convincing guy as a girl, but it's a special one.

Love,
Kim

Convincing

Dear Kim,

First of all thanks for the wonderful job you're doing in giving transvestites like me a magazine of our own. I know you've been "in business" for years and I hope you go on forever!

I admire the experiences and fantasies your readers share. In Volume 17, Number 2, for example,

there was this incredible letter from a beauty who calls herself Karla. I read and reread about her life as a woman, the fact that she had fathered a child, and now lives with a woman. Her descriptions of fantastic sex had me hot and hard under my dress! Her pictures are

“Loggers are supposed to be ‘macho,’ any one else just isn’t a man.”

been able to rent a few of your films, Kim, in the She-Male series. I rented *Orgy at the Poisonberry Bar* last week. I got all dressed up — panties, garter belt, stockings, high heels, half slip, one of my best frocks, and did my best at my makeup — before I turned on the VCR. The hot action with Miss Summer and Heather had me with my dress up and my hand in my panties, jerking off like crazy! How I wished I had a loving mouth to catch my spunk! Someday, soon, I hope a woman who can accept me will come into my life.

Well, thanks again. I'm sending along my picture, which shows I have a long way to go to match girls like Karla and the artists you feature in *F.M.I.* With your help, Kim, I hope to get there. Please keep inspiring us!

With love,
Caroline

Dear Caroline,

Thank you dear, for all the kind words. You make an incredibly convincing woman! I'm so glad to hear that some of you are considerate enough to get dressed when watching a Kim Christy video. So thoughtful.

Love,
Kim

incredible, she is gorgeous. To think a guy can convert herself into a very real girl with hard work and determination gives us all something to shoot for! If you're reading this, Karla, I think you're wonderful. It would be to die to look half as good as you or especially as good as you, Kim!

In the godforsaken place I live, there's not much chance for me to meet other TVs, though I've tried through newspaper ads. I've also

Keep Those Letters Cumming

Dear Kim,

One of the pleasant surprises that we experience after we achieve the ability to transform ourselves from dull, uninteresting males into something much more enticing and attractive, is the realization that we are able to bring excitement and pleasure into other people's lives, as well as our own.

Society will, of course, always look with disapproval on male-to-female transsexualism. Effeminate males have a rough time of it, as they are popular targets for abuse and even violence . . . especially in this part of the world (Australia). However, there is another side to the picture, as any reasonably attractive and feminine-looking "she-male" soon learns. Although publicly, it's advisable to keep a low profile, privately, the "she-male" is enormously popular and in great demand.

When I first came out of the closet some years ago, I dared to place some contact ads in local magazines, with my photos. I was amazed at the response. Dutifully, I tried to meet all who had written to me . . . and before very long (as you can imagine) I was swamped with admirers; the phone never stopped ringing. During one six-day period I recall entertaining five different guys . . . at that stage I realized I'd have to apply the brakes; it seemed that my body wasn't my own anymore. So, I gradually became selective and quite difficult to make dates with . . . one step closer to the true female, I suppose.

I've since compared notes with two other local people like myself, and found that their experiences had been similar to mine. Like me, they've preferred to settle down with just a few regular admirers rather than play the field. One great advantage of this, I've found, is that over a period of time, these regular male friends can become very loyal and

Robyn

affectionate.

Now I'd like to mention another interesting discovery I made; the fact that I could provide pleasure to people I didn't meet, simply through correspondence and photos. Obviously, there are large numbers of people who find the idea of a "lady with a penis" very stimulating indeed! In fact, the very thought of this seems to inspire many a wonderful sexual fantasy, even amongst people who are quite heterosexual.

Having limited any new contacts to correspondence, I found I was getting letters from far and wide . . . it's obvious that there is a huge army of lonely men in Australia, due of course to the perennial imbalance of sexes, especially in the younger age groups. It was quite gratifying to me, to receive letters from obviously lonely men, telling me that my letters and photos were giving them much pleasure. I felt that in some way I was doing good, as some sort of "girlfriend substitute." Many of the letters I

received were quite heart-warming and very complimentary too. I had, in fact, improved the sex lives of large numbers of guys I'd never met. Recently, a penfriend in an outback town wrote me a letter which said it all.

He wrote: "I don't know if you can realize how much pleasure you've given me in the two years that we've been corresponding. I have all your photos in an album and look at them every day." I wonder how those people who would condemn transsexualism and transvestism, would explain away that situation? In these outback towns, there can be as many as eight single males to every single female; the extent of male loneliness can only be imagined.

Another penfriend was serving a jail term for possession of drugs. He wrote the most sensitive and lucid letters I've ever received, and even illustrated them with artistic drawings. He wrote once that, after receiving a letter from me, he had felt sensually stimulated to such an extent that he'd had four climaxes within an hour.

However, I hasten to add that although my self-taken black & white photos have been quite popular with penfriends, I'm not in the same class as the absolutely stunning "girls" who appear on *F.M.I.* covers and in features inside. Great photography, as well as great models! These days, I find myself recommending *F.M.I.* to almost every penfriend I write to.

An interesting facet of my exchange of letters with penfriends, is the fact that I've often received letters from heterosexual couples, and very heterosexual males. These people, who already have quite busy sex lives, seem to find some additional stimulation from my photos and letters. For example, one energetic and very masculine male wrote that he had propped some of my photos on the pillow above his lady's head and then had screwed her "furiously," imagining I was the person under him! And a few days ago, I received a letter from a

20-year-old male who wrote:

"Here's something you will get a kick out of. While I have sex with my girlfriend the only way I can come is by imagining I'm having sex with you." Now . . . could anyone get a nicer compliment than that? I can only speculate about the amount of pleasure those glamorous "girls" on the *F.M.I.* covers produce in the readers of this great magazine.

Another recent letter was written by a married lady, whose husband had written to me previously. This lady penfriend wrote: "I was real pleased when I saw the photos and read your letter; I just had to use "Sam" (my vibrator) that night, I was so turned on by just looking at you, boy did I flatten his batteries. When Peter arrived home and I showed him your letter and photos they gave him a lovely big fat . . . so you can imagine the lovely time we had that night . . . Peter is the most sexy man I have ever met. Even now he is sitting next to me rubbing my tits and making my pussy wet . . . hope you can read this as it is not easy to try to write when you are getting turned on, I had better go and fix him up before he comes all over this letter . . ."

However, the final word in penfriends' letters must surely be a long and very well-written letter I recieved a few months ago from a cheerful rogue in another city. I thought it was an all-time classic! Having established that these valued penfriends don't object to their letters being quoted from, provided names are changed, I'd like to pass on large sections of this classic, as evidence of the effect a mere "she-male" can have upon a healthily sexual male. (Just imagine the effect any one of your fabulous "Cover Girls" would have!)

"Hello Dearest! You may recall that I have written to you on one previous occasion. You replied with a lovely letter and some delightful photographs of you being carressed and otherwise sexually appreciated by a variety of guys. Unfortunately

I lost your letter and with it your address in the course of moving house . . . you cannot imagine how delighted I was to discover your ad in *ACM* #67! I very much want to resume communication with you, dearest. You excite me tremendously! If I wrote you a novel, I couldn't adequately voice the extent to which I am attracted to you. I love your feminine curvaceousness, your lovely soft, gentle face, your cheeky smile, the utter sexual lure of your lips! Since I have seen your ad and the accompanying photograph of you, I have even dreamed about you at night. I am afraid that at thrity-nine I am too old to have wet dreams, but I was mightily discomforted by an enormous erection upon waking up. There was simply no hope of getting successfully dressed with that bloody telegraph pole straining towards the sky. I mean, I couldn't even get my pants on with

it, let alone do up my fly!

"Briefly I considered driving over to my girlfriend's place and sinking the terrible brute into her. But I no sooner conceived of that solution to my sexual predicament than the idea simply palled beside the thought of the source of my strainingly urgent problem: namely, you Dearest Robyn, and the sheer lasciviousness with which you inspire me. It was simply an emotional impossibility to spend that beautiful erection on anyone but its source: you. Whilst I have nothing against masturbation, and the idea of owning up to the fact that I do it in no way embarrasses me, nevertheless I rarely indulge in such solitary ecstasies because of the very substantial sexual demands made upon me by my lady friend. But on this occasion I decided to masturbate to the thought of you, the loveliest, sexiest vixen being to occupy my thoughts for a considerable period of time.

"So, I settled back and thinking of you proceeded to gently stroke that mighty hunk of hot meat between my legs. I dreamed of you lovingly, longingly, heatedly. I dreamed of your face, your lips, your beautiful curves, your supple skin, your shapely legs. I imagined your gentle hot breath upon my stomach muscles, the swish of your hair against my chest and thighs, the electrifying rub of you skin against my skin, the delicious scent of your sexually straining flesh in my nostrils. I thought of your lovely, pink, anal aperature. I thought of how I would lubricate its corrugated entrance lovingly, passionately, wildly, with my tongue and saliva. I thought of how I would force my heated engine deep into your loving, yielding, accepting, gratifying flesh. I thought of how I would fuck you gently, lovingly, rhythmically, powerfully, unendingly, until you gasped, moaned, and cried out, and wept. In my dream of you I kissed away your tears of unbearable pleasure and delicious pain. I brought you repeatedly to climax and beyond. I listened

intently to the sacred litany of your cries of piercing pleasure. And finally, I came myself . . . I orgasmed to the thought of you. For some divine moments, I felt close to you, although I haven't met you; I felt intoxicated by you, although I have never experienced you. I felt awash in a secret personal sea of lust and longing and gratification, all of it inspired and caused by the existence of one delectable, delicious, desirable wanton, vixen, she-male wench who calls herself Robyn!

"I'm afraid, Robyn, that if I ever met you in the flesh I would fall madly in love with you. And that despite the fact that I am heterosexual!

"Please, dearest, send me heaps and heaps of photos of yourself. I want to pull myself off looking at you. I would love to see cocks in your mouth gushing with spunk. I would love to see you dressed as a schoolgirl and sucking cock. You are so incredibly feminine and beautiful that I am tempted to think you might be a post-op transsexual, but if you are not then I would love to see your cock poking out from under a sexy micro-mini skirt in a state of excited erection. I would love to see pictures of you being sucked off, of your cock spurting spunk, of your beautiful face in the divine bliss of orgasm. I would also love to see fully clothed pictures of you. I would love to see pictures of you being undressed or of you undressing yourself. I would love to see you in all types of clothes, from schoolgirl uniform, to cocktail dress, to lingerie, to simple skirts and tops, to demure little cotton frocks, to extravagant, outlandish bondage gear. Could you do that for me, dearest? Could you send me millions of such photos of yourself?

"Write to me, dearest Robyn, as soon as you have finished reading this letter. I cannot tell you how I long to see those photos of you! Would you like me to show them to my girlfriend or would you prefer that I kept them to myself? Tell me in your letter. I am sure

you would appeal greatly even to my girlfriend. She is actually bisexual and would certainly be able to appreciate your charms. Would it please you if not only I masturbated over you, but also she? I could make her masturbate herself to orgasm looking at your wild, explicit, sexy pictures. Or I could get her to suck me off while I was looking at them myself. The possibilities of kinky pleasure are legion!

"I would love to see you in all sorts of clothes, from school girl uniform to cocktail dress, to lingerie, to outlandish bondage gear."

"Now I think I shall go and pull myself off to your pictures in the magazine. It will have to do until your reply and pics arrive. Lovingly and lustfully yours . . ."

I do hope the fact that I've quoted this lengthy letter doesn't give the impression that I'm on an ego trip! I am trying to make the point that we "she-males" can weave powerful magic, even from afar. And even amongst sexually active heterosexual members of the community.

Thanks again, Kim, for a great magazine. Your "cover girls" and "starlets" must be a continual source of pleasure to your readers.

Warmest regards,
Robyn

Thanks Robyn,

That was a wonderful way of sharing yourself with us here at F.M.I. I think it's true that she-

males are an untapped resource, and you my dear, are a vein of solid gold.

Send more soon,
Kim Christy

Dear Kim,

I decided to write to you for advice after reading the ads in your Vol. 14 -5 No.25 issue. I am a 23-year-old transvestite in the closet who needs a sex change. Since I still live at home with parents I can not dress often enough, but I have a burning desire to meet someone (preferably male) to help me. I have answered several ads in this issue hoping for a positive response. I have also placed an ad of my own. My ultimate goal is marriage. Do you have any other ideas to make my desires known? I have no wardrobe because my mother snoops and always finds what I buy then disapproves, she tells my father and he yells at me. I still feel I am a woman in the wrong body. I do not like my genitals and I want to get rid of them, also do you know of any other periodicals on the subject that could help me answer ads and place ads?

A trapped woman,
Cheryl Strait

Dear Cheryl,

I don't want to put a damper on your hopes, but first things first. Before you consider a sex change it would be wise to set out on your own. Living in your parents' home is not conducive to realizing your true self. Developing some independence and self-sufficiency will put your gender issues in a new light.

Write back soon and tell us how it goes.

Best,
Kim Christy

Sally and Her Friends

I was so happy when I opened the door to see Nancy standing there in a pretty new outfit. As promised, she had returned to tell me more of her experiences while at college

“Michael please do this one thing for me. It means so much to me. Mother, make him do it. It won’t hurt him any and it will be my only chance to be a cheerleader. Please, please, I’ll do anything if you’ll only do this one thing for me.”

“Now, Michelle,” mother said, “it really isn’t fair to ask your brother to wear a skirt and go to school pretending he’s you just so you can become a cheerleader. Just tell them that you have a badly twisted ankle and can’t perform in the tryouts. They’ll understand.” “No they won’t. They’ll just pass me over until next year. Oh, I’ll just die if I don’t make it. Michael, you’ll only have to be me for a little while and I could teach you the routine, and it would be easy since you’re already a cheerleader.” Mother cut in, “Well how about his hair and . . . a figure. You are identical twins, but there is a difference now.” “Mother you have a wig that we could fix up to look just like my hair, and a little padding in one of my bras is all that’s needed. We’re both the same size, and you know how we used to fool you and Dad when he would wear one of my

dresses just for fun.” “Well that was a little while ago and you’re both growing up now. Besides your brother hasn’t said a word. What do you think, Michael?” “Are you both crazy, I wouldn’t be caught dead going to school dressed like a dumb girl.” Actually, I would have given a year’s allowance to be going to school dressed like my cute sister. I had always been jealous that she had been the girl and got to wear the pretty things that I had always wanted to wear. But I had to keep up the macho image.

Mother said, “Well that settles it then. Guess you’ll just have to wait for next year honey.” But Michelle wasn’t about to wait for a whole year and when Mother was gone she said in her sweetest voice, “Michael, I think you’d better do this for me or I might just tell Daddy that his big strong son has been dressing in my pretty things when no one was around.” “I have not been wearing your things. Where did you ever get that stupid idea?” “Because some of my panties have been soiled after I washed them, and some other things weren’t put back the way I had arranged them.” “Well, it

wasn’t me.” “Well, just who then? Neither Mother nor Dad would borrow anything of mine, and I’m going to tell Daddy if you don’t do this for me.” “OK, OK, anything to get you off my back, but I still didn’t wear anything of yours.” I guess I had been a little careless putting her things back. I would have to be more careful in the future.

“Oh, Michael, how wonderful. I knew you’d do it, and I’ll just forget about who was wearing my clothes. Now let’s tell Mother so she can fix the wig, and then I’ll explain the routines to you and we’ll start practicing right away. The tryout is day after tomorrow.” So Sis showed me what to do which was easy except for the feminine actions which took a little time. “Now when you walk, Michael, swing your hips ever so slightly. When you sit, keep your hands in your lap palms up, and when you cross your legs keep your feet together. When you stand you won’t have pockets, so hold your purse in front of you with both hands and bend your right knee slightly into your left knee. Now can you remember all that?” “Yeah, yeah, I’ve got it.” I think with the practice I’d had wearing her skirts, and dresses, and even heels, I could do it as well as she. “Now, when you’re talking use soft feminine expressive tones like I do.” “Oh, Michelle, your such a darling girl. I’ll try not to let you down. How’s that!” “Oh, terrific, you sounded just like me.”

On the day of the tryouts I was really scared to death. I really didn’t think I could pull it off. But I was thrilled to think that I was actually going to school as a girl.

Mom had fixed her wig to look just like Sis’ hairstyle. And they had placed the clothes I was to wear on Michelle’s bed, and I was handed a pair of panties and pantyhose to take to the bathroom to slip on and return. “Mom, I don’t want to wear panties and pantyhose. Can’t I just wear a pair of shorts under her skirt?” Sis broke in horrified, “I should say not. When you’re twirling, your skirt is going to fly up, and

I certainly don't want anyone to see me in boy's shorts!"

So I did as I was told, and returned shamefaced to let Mother put my bra on, pad it, slip a pink sweater over my head, adjust a flaring miniskirt around my waist, waited while I pulled on white bobby sox and saddle shoes, and then adjusted the wig to my head and applied makeup. When I stood up and turned around Sis exclaimed, "Golly, Mother, he looks just like me." "Yes dear, he certainly does." I was trembling when I looked in the mirror and was enraptured with what I saw. The only thing that saved me from a gigantic hardon was the tight pantyhose I was wearing.

Mother said, "Well son, I think we've done all we can for you. I'll leave you two to do a little rehearsing." Sis was right, when I twirled this time my flaring skirt revealed all of my legs in nylons and my panties and I felt a little faint to think that everyone in the auditorium would be looking at them as I pranced around the stage. When I mentioned this to Sis, she said, "You're going to be perfect. Remember everyone is going to think that I'm the one doing the routine. Just do your best, and get out of there as fast as you can. I'll be on pins and needles until you get home."

So I went out the door as a girl for the very first time, and I was quivering with both fright and delight. But, neither my sister nor I had rehearsed for, nor anticipated the things that were going to happen to me at school.

Everything was fine on the way to school, and at the auditorium I was greeted by several of Michelle's friends, and I had a terrible time conversing with the girls and answering questions, particularly about who was taking me to the dance Friday night. The rumor was that Bill Brown, quarterback, captain of the football team, and the most popular boy in school was taking me. I coyly avoided answering them to their delight. Then they knew I was going with Bill. I wondered how Michelle was going to a dance with a

**"Oh no you don't,
I'm not going to any
dance with a boy!"**

twisted ankle. Oh, well.

I managed to romp through the practice without a hitch and I was eager to tell Sis that she was now a cheerleader. But as I started to walk off the stage, the big hand of Bill Brown helped me down and he said, "Michelle, you were sensational. Come on, I'm going to drive you home." I had absolutely no choice as he practically swept me into his car, and I was stunned as he leaned over, took me in his arms and kissed me. As I tried to draw away he said, "What's the matter, honey. You're acting a little strange." "Well it's nothing Bill, but I told Mother I'd be right home to help her." "That's OK baby, I can wait until after the dance Friday night. But then I want more of what you gave me last Saturday. I've been dreaming about it all week, and I'm about to go out of my mind." "Well, we'll see." I didn't know what to think or say. "Hey, none of that, you beautiful little doll. Once you've given it to me, it's mine and I want a lot more of you." "But Bill, I'm not sure if I can make the dance Friday. We have company coming and I'm supposed to entertain them." I had to find some way out of this for Michelle's sake. I knew she couldn't go to the dance.

"Honey, you promised to go to the

dance with me. Who am I supposed to get at this late date if you can't go? Well, I guess there's always Mary Beth Hughes. I'm sure she'd go." I knew he was baiting me so I said, "Please Bill, phone me tonight. I'm a little upset right now." "OK, honey, but the answer better be 'yes'."

When I got home I went right to Michelle's room to give her the good news and bad news. When I told her what Bill had said about the dance she just about had a fit. "Oh Michael, I forgot all about the dance. What am I ever going to do. And that Mary Beth Hughes. If she gets her hooks into him, I'll never see him again. What a mess! And he thinks I'm able to go to the dance thanks to you." "Now wait a minute. This was all your idea me taking your place. Don't blame me." "I'm sorry Michael, I'm not blaming you really, but don't you see, if I turn him down now he'll think I don't like him since he thinks I'm up and around. You've got to do one more thing for me." "Oh no you don't. I'm not going to any dance with a boy." "Listen to me. All you have to do is let him pick you up. Go to the dance. Then tell him you don't feel well, and then he'll have to bring you home, and we'll all be off the hook. And then

VANESSA SANTONI

The rare blonde, blue-eyed Italian goddess. We first encountered Miss Santoni in San Francisco as a contestant in the Miss Continental contest. Needless to say, with her looks and figure she was a showstopper and the winner of the contest. Since then we have seen her classic face everywhere. Recently she was part of the entertainment crew for La Rey's fabulous Universal Ball also covered in this issue.

Vanessa in...
The Dress of the Decade!

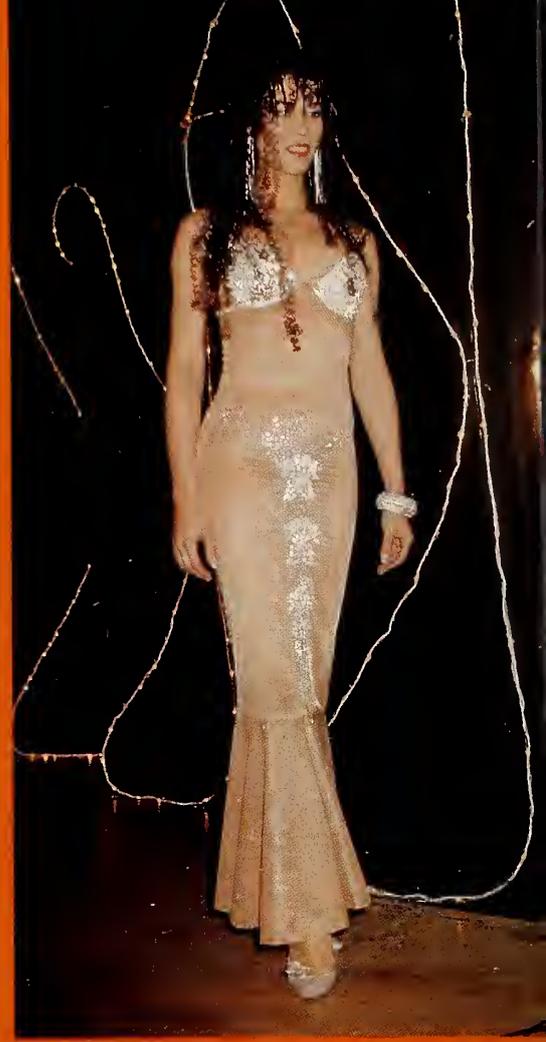

The Universal Ball

1987

Thank you once again, La Rey, the producer and founder of the Universal Ball, for your untiring efforts to make this the event of the year. We always have a good time when La Rey is at the helm. From the meteoric Mayflower ballroom in Inglewood the loveliest of female impersonators and the hunkiest of dudes lined up to compete for the coveted title of King and Queen of the Universe.

This page clockwise from top left: Contestant Paula, representing South Africa and sponsored by Vanessa Santoni. Paula makes the perfect TV anchor type, don't you think? Top right: Presenter Jaqueline, a favorite from years past. Bottom right: Men with trophies. Bottom left: The fabulous Rhonda Lee Ashton, this year representing Russia as Stravinsky's Firebird.

Left: Queen Pamela Joy taking her final walk as Queen of the Universe, 1986. And we must say those hormones must've kicked in something fierce since last year cause she looks fabulous!

Far right: La Rey in the "Land of Make Believe" number that was the all-time best production we've seen.

Bottom right: Someone who's name we missed but we loved her costume!

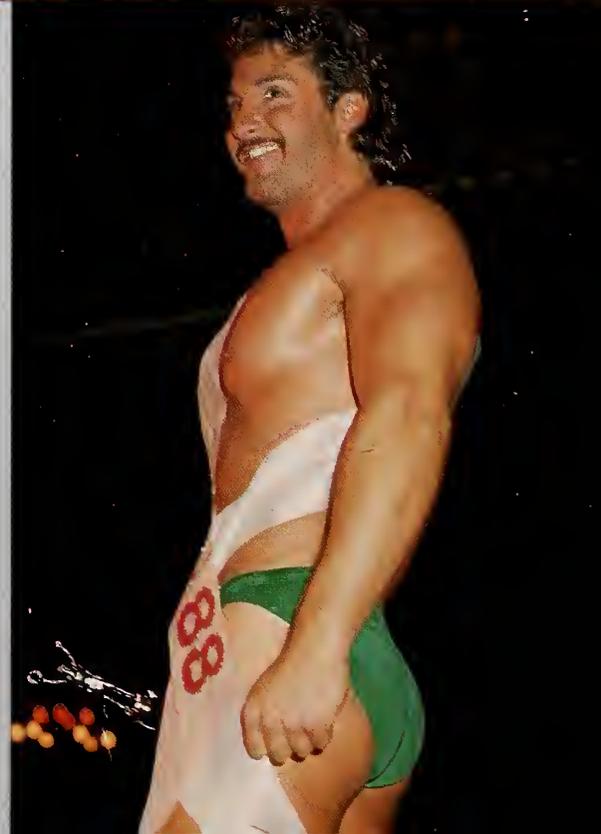

Opposite page, top right to left: The unveiling of Serena. Below: A number from "Chicago" that was well done, but c'mon, it's so old, well, not old enough really, but you know what we mean. This page: Paula a'hoppin'. Center: The largest bulge award. Far right: A really great dress. Bottom right: Latin American flair. Bottom left: Vanessa Santoni entertaining the hoards.

Above left: Gallons of glitter. Above right: The scepter and crown are passed along. Below right: The King of the Universe, Michael, representing Italy. Below left: Two real men kissing. Opposite: The New King and Queen of the Universe, Michael and Lina Rel Rio.

ARE YOU MALE, HETEROSEXUAL, submissive, and interested in crossdressing? Does the thought of being forced to wear feminine clothing all of the time absolutely thrill you? Do you like the idea of being dressed in skirts and trained to mimic female speech and behavior? Do you dream of becoming totally feminized, in mind as well as body, without actually having a sex change operation? Would you give up the life and privileges of a man to become the obedient, pampered, crossdressed male wife in a marriage to a dominant, aggressive female husband? Do you know the meaning of phrases like — "petticoat punishment" — "corset discipline" — "forced femininity" — "sissy"? How would you feel if you had to dress completely as a female in every detail and appear in public before men and women who knew that you were really a man? Would you feel silly and foolish if you were made to wear a sanitary napkin in your panties? Do words like girdle, garter belt, nylons, high heels, lipstick and lingerie make you blush? THANK YOU!

These are the Rules ... PERIOD!

By Helen Highboots

Ms. Highboots is a regular contributor to The Sissy Times, Sharon Stuart's exciting new journal of femininity. We will be excerpting some of the Times here in the pages of F.M.I. Look for an offer to buy The Sissy Times through F.M.I. You may write to Miss Stuart in the meantime at the address listed at the end of this column.

Dear Sissies:

Before we begin this month's lesson I need to repeat rule number

eight from my *Fifteen General Rules For Sissies To Observe* which appeared on pages nine and ten of

the Premier Edition of *The Sissy Times*. Somehow part of a sentence in rule eight was omitted from the final copy. Here is the entire rule:

8. In the presence of a woman or a group of women you will always be in a passive and subordinate role. Always smile and present a cheerful disposition. Never argue with a woman or presume to correct her. Always be obedient, cooperative and courteous. Open the doors and hold the chairs and be very attentive when you are asked to act as an escort. You will never make sexual overtures or attempt to play an aggressive role in social relationships. Advanced sissies will be noticeably obsequious in public in the presence of a mistress.

The sissy typist has already had her pantied bottom warmed with my paddle for this obvious omission.

Our subject in this edition of *The Sissy Times* is the female menstrual cycle. Please refer to rule ten of my *Fifteen General Rules For Sissies*.

The female menses is a biological function in which certain body fluids are eliminated and discharged through the genital tract about every four weeks. Blood from the uterus is a large component of the discharge which can last up to four days. The menstrual period is often characterized by headaches, cramping in the lower back and abdomen, sharp pain in the legs and feet and general tenseness in the neck and shoulders. In a typical menstrual period there is a day of onset in which the symptoms begin to manifest themselves followed by the beginnings of the discharge.

The menstrual flow will vary greatly from person to person and the symptoms and accompanying side-effects also differ with each individual. However, the period is typically three to four days in duration followed by a recovery day in which the discharge is minimal or non-existent.

Most women find it necessary to wear sanitary napkins or tampons during the menstrual period. These can be obtained in a variety of

brands, sizes and styles. I will not recommend a particular brand for sissy use but I do suggest that you use maxi-pads or super maxi-pads and that you choose the deodorant style rather than unscented.

A word must be said concerning tampons for sissies. Tempting as it is, dear ones, I would strongly recommend that you NOT put these devices into your anal orifice. The tampon, which is designed for the female's dead-end uterus, will fit easily into your anal opening. However, the sphincter muscle which guards the anal opening will contract and has a strong tendency to absorb the entire tampon. Once the tampon has entered your lower bowel you will find that it is extremely difficult to retrieve by hand. To make matters worse the absorbent tissue of the tampon will swell up and enlarge the tampon considerably from its original size. Of course, you may succeed in eliminating the tampon along with your next bowel movement, but don't count on it. The engorged tampon can literally block your anal opening and leave you essentially constipated. The tampon does not disintegrate that readily and can cause serious harm.

I know of at least three sissies who had to seek medical attention after playing with tampons and one had to have minor surgery. One of the tampons he used somehow traveled up through the bowel into the lower intestine.

So, Rule Number One for all you boy-girls is: Don't play with tampons; use a sanitary napkin.

For many women the menstrual cycle is something of a curse. At its worst a period produces agonizing pain and sends us to bed for several days devastated by cramps, headaches and depression. At its best it is an annoyance and an inconvenience. But, whatever individual form it takes, from puberty to menopause, the menstrual period is a cross to bear and represents biological femininity in the most fundamental way.

For boys and young men, the female menstrual cycle is a bit of a

mystery which they never quite solve or completely understand. In their ignorance the males are apt to joke and make fun of women who are "on the rag." If I had my way, every male would be required to experience a menstrual cycle at least once in his life.

For the sissy male, imitating the female period is a basic exercise in feminine hygiene and mandatory for anyone who truly aspires to the sissy lifestyle.

Here are my suggested guidelines and tips for sissies who wish to experience a menstrual period.

1. **Timing.** If you live with a mistress or serve a mistress I would suggest that you follow her cycle. It is common for women who live together to menstruate at the same time so take your cue from your mistress.

If you are alone, I would recommend that you get a calendar and plot your periods every 28 days. This will make your periods fall at different times each month and provide some variety for the ritual. However, if you prefer, it is all right to simply mimic the period the last six days of every month or the first six days.

2. **Sexual Activity.** Women typically reach their sexual peak just prior to the onset of the menstrual period. Therefore the sissy should masturbate frequently, preferably while cross-dressed, during the three day period preceding the scheduled menstrual ritual.

Once the menstrual period has begun the sissy should completely abstain from sexual activity of any sort, especially masturbation. If someone invites you to get into their bed for a roll in the hay during your period, the proper response is: "Not tonight, darling, it's my time of the month."

Some mistresses will permit oral sex for the sissy during his menstrual period but I prefer complete chastity for the duration. I never feel like having sexual activity during my period

so why should I allow Sue Sissy-ribbons to have any? He has his period while I'm having mine and we do it together.

3. **The Day of Preparation.** I suggest a six day period for sissies. The period begins with the day of onset or preparation followed by four days of discharge and concludes with a recovery day.

On the first day the sissy should wear a "light days" pad or a panty-liner in his underwear or girdle. He should check his supply of sanitary napkins and go to the store himself and purchase enough additional napkins to last through the period.

If possible, the sissy should be completely crossdressed on the first day of his period for at least four hours. Advanced sissies will go to the store to purchase their sanitary napkins dressed as females.

When you go to bed the first day of your period you should be wearing a nightgown and have a maxi-pad in your panties.

4. **Where To Place The Sanitary Napkin.** Women, of course, wear the pads between their legs but more to the front. Male sissies have different plumbing in that area so the pad is properly placed to the rear and should be positioned so as to cover the anal opening.

For the sissy undergoing a menstrual period for the first time having a maxi-pad between your legs is going to feel strange. But, after a few hours dearie, you'll get used to it.

5. **What To Wear During Your Period.** To hold the sanitary napkin firmly in place I recommend a good pair of elastic stretch panties followed by control top pantyhose.

I generally do not allow Sue Sissyribbons to wear her garter belts or other fancier underwear during the menstrual period. I usually require Sue to wear a tight girdle over pantyhose or with nylons in addition to a pair of panties during the period.

Sometimes having to wear a tight girdle to work under his male attire gives Sue quite a headache. Poor Baby — that's what it's all about.

If Sue is crossdressed during his menstrual period I generally make certain that he dresses very conservatively. I tone his make-up down, minimize his jewelery and dress him like a suburban housewife — a little on the dumpy side, if you know what I mean. A long-line bra with "D" cups and a padded girdle with a plain housedress and low-heeled shoes makes a good menstrual period at-home costume.

- 6. When To Change The Sanitary Napkin.** The male sissy ought to remove a used sanitary napkin and replace it with a new one at least four times a day. Of course, this means taking a supply with you to work.

When it is time to remove the old sanitary napkin go to the restroom, find a stall, sit down on the throne, lower your pants and do your business. While your panties are down inspect the old sanitary napkin and replace it with a fresh one. Wrap the old sanitary napkin in tissue paper and throw it in the trash receptacle. Do not flush it down the toilet unless you wish to call the plumber.

Sissies with a bizarre sense of humor may find it amusing to leave their used sanitary napkins in more visible places in the mens' room.

Always go to bed wearing a fresh sanitary napkin and, if you get up to pee in the middle of the night, always put a fresh one in your panties before going back to bed.

In the four days that you are mimicing female menstruation you ought to consume about 18 to 20 sanitary napkins. Typically, the manufacturers provide them in boxes of 24 so you will need almost one box to get through a period.

- 7. Sissy Punishments And Rituals**

During The Menstrual Period.

It is not uncommon for women to miss a day of work during the peak of their menstrual period. The male sissy may want to call in sick and spend the day at home languishing in bed or doing menial domestic chores.

If I decide to give Sue some punishment during her menstrual period I usually choose some form of bondage coupled with humiliation. One time I made him save all of his sanitary napkins during a period. I sewed these into a sort of necklace which I made him wear around the house. A sanitary napkin makes a very effective gag for the mouth. I also favor the use to butt plugs during the male menstrual period.

Foot rituals and service by the sissy are particularly appropriate during the menstrual period. If the mistress is having her period at the same time she will appreciate a good foot massage from her slave or a nice pedicure.

I have also been know to remove my panties at the end of the day and put them over Sue Sissyribbon's head and face for an evening. There is no better helmet for a sissy's head than a pair of well-worn women's panties.

The third and fourth days of the period should be the major focus of the punishment rituals. The punishments are a fitting substitute for the cramps and pain experienced by the female but not by the sissy. Of course, I know some advanced sissies who claim that they can even duplicate the menstrual symptoms and actually experience headaches, low back pain, etc. So much the better ladies, if you can do that.

- 8. The Recovery Period.** During the last two days of the menstrual period the male sissy ought to rededicate himself to becoming more feminine in appearance and behavior. This is a time to shave down your

legs and torso. Give yourself a nice manicure. Re-do your toenails and apply new coats of nail polish. Pluck your eyebrows and work on your complexion with beauty preparations, skin lotions, etc.

The sixth day of the period is what I call the recovery day. It is a good idea to crossdress completely on this day and go out in public, if possible, as a woman. Now is the time to celebrate your passage through the menstrual period by dressing up in you most feminine style. You might still want to have a sanitary napkin in you panties "just in case" or wear one of the light panti-liners.

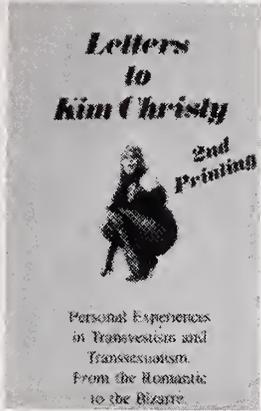

On the other hand, I like to see Sue Sissyribbons back in a garter belt on recovery day and not wearing any panties at all. This advertises his "sexual availability" after five to six days of abstention. There is nothing more amusing to me as a mistress than the sight of Sue's erection jutting through his petticoats and skirts. Following a menstrual period I always make certain that Sue takes care of me and I reciprocate with Sue. Some of the best sexual encounters we have had as a married couple have followed our menstrual periods.

Thus, the menstrual period for the male sissy can be a rewarding and exciting ritual. It should be repeated each month or ever 28 days for maximum benefit.

The exercise assignment should be obvious by now to all of my sissy readers. Follow the guidelines above and start having a regular menstrual period. Be sure to record your thoughts and experiences during the menstrual period in you diaries.

Sally

(Continued from page 17)

he won't be able to take Mary Beth to the dance either." "Yeah, but what about Dad. I can't just dress like you and go off to a dance with a boy. What will he think." "Never mind. He and Mom are going to a party Friday night and won't be home until late, and I'll make sure when I call Bill to confirm our date that he picks you up after they leave. Now everything is going to be alright."

After Mom and Dad had gone to their party I went up to Michelle's room to dress. I had already done some of the preliminaries and was wearing a panty girdle, panties and nylons under my robe. Then Michelle helped me with the bra, with just the right padding and I put on a pretty slip, let her direct me with makeup and wig. Then she told me which dress and heels she wanted me to wear. After adding jewelry she said I looked very pretty, and again told me just how to act. Then I gathered her purse, gloves and wrap and started downstairs to wait for Bill. But before I could leave she cautioned me, "Now be sure he brings you right home after you tell him you're ill," and then I wondered what she had given him last Saturday night! "Don't worry, Sis. I sure don't want to have to spend any time with him."

Bill was right on time and when he saw me in Michelle's pretty party dress he exclaimed, "Baby, you look like an angel. You're beautiful, and I want you all to myself tonight." I must admit I was trembling with excitement as this handsome boy escorted me to his car and seated me. And the giant erection in his pants didn't go unnoticed, and I wondered why I had looked there. As we started off, Bill drew me close to him, and somehow my hand automatically rested on his thigh. "Honey," he said, "we're going to have a ball tonight, and frankly I can hardly wait until the dance is over." "Bill, I meant to tell you before, but I'm not really feeling very well. I thought it might go away, but it hasn't" "Don't worry, I'll get you

some aspirin at the dance, and you'll be OK." "Well, alright. I hope so." I thought to myself that right after I take the aspirin, I'll say it didn't work and that I'd have to go home.

As soon as we got to the dance, Bill got me the medicine, and then led me to the dance floor where slow romantic music was being played. "Just take it easy, honey, and you'll be OK in no time." I had never danced with a boy before, even in fun, and I seemed to melt in his arms as we swayed to the music. Then his erection burst into full bloom again, and I looked up at him embarrassed to death, but he just looked down and smiled at me.

"Bill, what time is it?" "It's midnight, baby, and I'm ready for your special kind of loving." "Oh Bill, I've got to get home. Michelle, I mean my parents, will kill me if I get home any later." "Just a little bit longer, honey."

When we finally parked, I was scared stiff. I knew I was in trouble with Bill, Michelle, and if I didn't get home soon, with my parents. Bill kissed me passionately, and then told me how much he loved me as his hand reached my silken thigh. I was wondering what in the world to do. I knew I couldn't handle this big boy. Finally I said, "Bill I hate to tell you, but I really can't do anything tonight. That's why I haven't been feeling very well." "Honey, don't tell me it's your period. How can you do this to me. You know I've been so hot all evening I'm about to explode." "I'm so sorry, Bill, I should have told you earlier." "Don't worry, baby, just do to me what you did last Saturday before I screwed your little ears off." I could not believe that my own dear little sister was out getting screwed all this time. "Why, whatever do you mean?" Then he opened his fly and took out the biggest cock I had ever seen. "Come on, honey, I'm dying. Kiss it just like last week." I couldn't believe my ears. I'd never heard of such a thing. Did Michelle actually kiss this boy's cock. And as I looked at his cock and back at him in shock, he reached his big hand

over and gently lowered my head. "Now, Bill, wait just a min . . ." Those were the last words I was able to utter as his hard penis entered my mouth, and with his hand still resting on my head, he began thrusting his huge cock in and out. I started to try to talk, but to no avail. All I could do was mumble a little, and he was moaning so loud, he couldn't hear me anyway. And then I began to think well if this is what a girl is supposed to do to a boy before she gets screwed, so be it, and I began to move my head up and down, and I actually began to enjoy it to my everlasting shame.

Then his thrusts became faster and more penetrating, and he voiced an animal sound as he erupted and I thought surely I would choke before his spurting finally stopped.

He eventually lifted his hand from my head and I was able to slide my lips from his spent penis. "Honey," he said, "you are just terrific. I love you more than ever, and you just get better and better. I want to see you every night from now on. And from now on I want you to be my girl."

In a panic I said, "Bill, please take me right home," as I tried to pull myself together. When we arrived home, I looked in the garage to see that my parents had not arrived yet. Then, I kissed Bill good-night with a promise for a date the next evening. One I knew I couldn't keep, and went in to meet the rage of my sister.

"What do you mean he wouldn't bring you home? Didn't you tell him you were ill? And what were you doing with him until one o'clock in the morning? I want some answers!" I tried my best to explain, as I undressed, but nothing appeased her so I thought to myself, OK, if that's the way you want it. I looked at her with a very coy smile, and in my most feminine manner said, "Oh, by the way, Michelle, you are going steady with Bill now, and he'd like to see you every night. He'll be picking you up tomorrow at eight. Would you like me to wear the pink silk print or should I wear the blue cotton check with the bow in the back???"
