Editorial

Darlings,

I hope you find the results of the reader survey as interesting as I do. Such widely varied opinions. If you read the few selections we printed here and begin to panic that we might take all of your suggestions at once, fear not. We certainly will compute your feedback and use it as a guide in a general way. But there were a few of you out there who sent in letters suggesting that we drop almost everything in the book. It gives one pause to wonder what these few readers buy F.M.I. for.

There are three new videos offered in our catalog section. "High Heel Slave" is a fetishist's delight. The imperious Angel takes a hapless shoe salesman on the ride of his life. This is an extremely sexy video without being explicit. Many of you will find the fact that Angel never reveals her true gender to be an exciting part of this she-male video.

There are now two versions of the Universal Ball. We edited the first tape, concentrating mostly on the boys in dresses. There were some shots of the hunks but to keep within our time limitations we had to edit the "hunk" portion down to a minimum. Well, because you asked, we have put together a tape of the "Boys of the Universal Ball." This, like the other tape, has some of the drag queens in it, but it mostly concentrates on the butch men. These two tapes are very entertaining and we know that you have wanted Drag Ball videos for some time now.

We were so lucky to get this stunning cover photo of Sheree O'Neal. It is getting harder and harder to get good still shots from the feature videos. There is so much to do during a taping that to stop and set up for stills on the set is like a whole other production. But the good news is we have some very high quality material coming up on Morelle DeKeigh, Dana Douglas, and Pasha. The photos of Morelle are out of this world!

*Keep It Safe,
Kim Christy*

P.S. Our last issue's upcoming page promoted the Continental U.S.A. Contest. It has been moved to the next issue. Thanks.

Sherree O'Neal

SORORITY SWEETHEART

Sherree O'Neal made her somewhat hesitant debut in our Art of Femininity #2 video. The morning that we were to begin shooting, the actress scheduled to play the part in our video disappeared. Summer was also working with us that day and we called her in a panic. Who could she get for us at the eleventh hour? Summer's long manicured fingernails clicked on the receiver as she called to someone else in the room with her, "Darlin' you wanna be in a Kim Christy movie?" We heard a muffled response from the party on Summer's end of the line and then Summer came back on the phone, "Hunny, I got a girl here's gonna knock your socks off."

The rest is video history. Many of you enjoyed her in our Femininity video and now you can see her in She-Male Sorority as well, from Kim Christy, of course.

Sheree was not the kind of young starlet that was ready to claw and climb her way to the top. In fact, when we first met her, what impressed us most was her reserve and her cool, elegant manner.

But as we began to work, this cool blonde beauty began to blossom and her image on the video monitors crackled with an electric sexuality.

In She-Male Sorority, you will see the full development of yet another fine actress turned out by the Kim Christy school for thesbian she-males.

What Do You Think?

In response to some queries in Kim's editorial, we have received wonderful letters, some of which we would like to share with you. If you would like to respond to these opinions we would welcome it.

. . . Answering your questions:
More photos, less fiction!
Same sexually oriented fiction.
Even out homosexual & heterosexual.
Same letters to editor.
More contests & pageants.
Remember Drag Balls, possibly around the country, not just L.A.
More photos from readers!
More She-Males, or TVs into pageants & shows.
More Drag Contests.
Videos covering the pageants, shows, etc. Remember Female Impersonator Pageant, Texas, video included interviews with performers.
Lastly, I really enjoyed your latest issue where you devoted 8 pages to the Battle of V.I.P.s and Miss Gay, L.A. This is what your magazine is about. And would like to see videos of these events. And what I enjoy the most especially; color pages. . . .

. . . Good, solid TV material, e.g., "Winifred, not Wilfred" and "Sally & Her Friends."
Longer fiction is welcome, photos of the gala events are generally boring & dull.
Enjoy the sexually oriented fiction *when* it is not crude & vulgar, but in good taste.
Keep it heterosexual in orientation, please.
Letters to the editor are about in balance although not too many turn me on!
Contests & pageants, since I'm not involved don't do much, but take up space.
More photos from readers, if sharp & reasonable, would be acceptable. Personal ads are good!
Enjoy the material on *she-males* very much. Wouldn't object to more. TV/CD stuff is fine, too.
Re videos — TV/CD romance & transformation are super subjects — again only when done professionally with style & taste. Lesson quality material abounds, at high prices.

Video of reader contributions — same comment. Quality is everything. Realism (illusion) helps.
Kim, your magazine is excellent stuff. I enjoy photo articles such as "Suzanne in the Morning" (18/2), "Pearls . . ." & "CD for Success" (14/6), "Morelle" (17/1), "Shalei" (18/1), and the photo articles in 17/5. . . .

. . . I personally favor stories & videos regarding total physical transformation into femininity; likewise, photos of good-looking TSs and TVs who are on the road to physical transformation are preferred to more amateurish Tvs.
There are many publications which provide an outlet for those who are just getting started to have their photos published. Your magazine should be focused on the top artists, performers and amateur illusionists!
Strong erotic or sexual orientation is fine with me.
I think the coverage of the contests and pageants is OK (especially the winners), but should be cut down in size.
Most of your readers are not "in with the in crowd" in either Calif.

or N.Y. and could care less about the coverage of everybody and their "sister" which often seems to go on for page after page.

I think homo & hetero coverage should be balanced about equally. Though I'm hetero, I sometimes fantasize about males while dressed and I think we need to all respect each other's trips in any case. . . .

. . . As far as the magazine, Reader Letters are fine as is, photos from readers are fine, as are photo layouts on contests/pageants. On fiction, I would like to see more, mostly non-sexual, hetero or TS oriented; then I know you must cater to a wide selection of tastes.

On videos, I'd like to see some reg. movie style (and length) about TVs & TSs. Say something on the line of the proposed VERA from several years back — a biographical life story of a TS growing up, realizing his/her desires and finally crossing over the gender line. With products today such as MIRAGE, a regular male actor could convincingly portray such a change.

Well, those are my thoughts on your questions. Now a couple of my own for you. Back in the mid 70's, I heard of a TS movie called *Pink 'N Blue*, but I never heard any more. Have you or any readers heard of it? Also, about 1-1½ years ago, I heard of a proposed movie from Hollywood about a TS. I remember part of the title was *Adventures in La La Land*. Can anyone help with information on this? . . .

. . . First of all, I realize you appeal to a broad spectrum of tastes. I understand that, and I'm not being critical. I'll simply say I (and I'm sure others) are NOT interested in the "sucking of cocks" (don't mean to be vulgar) stories. When I find a story is headed in that direction, I stop reading it. As I said in my listing in issue 46, I'm into clothes, not organs. That isn't said critically, just a statement of where I am.

I love the clothes and have a fabulous, tasteful (I think) wardrobe, so my answers to your questions will be influenced by *my* interests. OK?

“I think homo and hetero coverage should be balanced equally.”

What kind of fiction? I like boys being dressed as girls, not necessarily as punishment but because the female is doing the young boy a favor. I've written four such episodes. The first is titled "The Perfect Gift." Two older sisters want to give young Timmy the perfect gift — they want him to experience the joys of being dressed. If you would like to see these stories, I'll send them.

No, I like less fiction and more photos. I really like the photos of pretty sissies; I don't care much for fiction — even articles.

Yes, I'd like less sexually oriented fiction.

More heterosexual orientation.

I haven't found the letters to the editor to be that interesting. Less.

LOVE the contests and pageants. Best part of the magazine.

More photos from readers, especially if they are cute or pretty.

MUCH more interested in transvestites than she-males. The male organ sticking out is revolting to me.

Videos of what I'm talking about above. Boys being sweetly dressed in lovely clothes — without the S&M, domination aspects.

I'm not sure what "transvestite romance videos" would be, but they sound OK.

Hope these comments are helpful.
...

... As long as the writing is good, I do not care about the amount of sexual content. I far prefer heterosexual orientation insofar as possible.

Letters to the editor are sometimes of great interest. Other times they are a waste of space. There should be no requirement for a certain amount of space to be devoted to letters. If there are no interesting letters, do not print junk just to fill up space.

An article on how to take photos that are not murky and fuzzy would probably be a blessing for both the letters and the ads.

Contests and pageants are a waste of time. If there was a contest for the best looking while wearing street clothes, it would be interesting. Those stupid costumes and evening dresses are a waste of space. A

bathing suit contest might be interesting. A leg contest would also be interesting.

Photos from readers are fine so long as they are sharp and well lit. Another photo of Sally is not necessary.

I prefer regular(?) transvestites to she-males, but any port in a storm.

I don't get to see videos, so I will not comment.

What I would like to see is some stories about some of the better-looking people in the ads. For instance, in the issue mentioned, the pictures for picture F-604 is attractive. How about a story and picture layout in the same kind of clothing, (i.e., not an evening dress or costume). I could say the same thing about F-612, F-644, F-646, F-647, and F-648.

One further item — please do not include any bondage and domination in either the literature or pictures. Make the stories and pictures depict pleasure, not pain. . . .

. . . Keep the current policy of not showing genitalia and extend it to the ads section.

Show the models in more ordinary clothes and settings. More *Vogue* than *Playboy*. Show them

waking up, getting dressed, at work, out shopping, on a date, etc. in regular women's clothes, not just evening gowns & lingerie. In public, not just in studios.

Replace Linda Lee's column with someone who will list news of interest. You've talked about listing clubs with drag shows. Do it! List the dates of upcoming balls, contests, pageants. List places (stores) where you can buy clothes or wigs or make-up without fear.

There are lots of publications that give fiction. You don't need to. If you're going to, get rid of the baby stuff and b/d stuff. Sally's stories are good.

Cut most of the stuff from readers. Cut all or most letters and, if possible, ads.

TV vs TS doesn't matter. What matters is pretty.

My suggestions for videos are the same. Do a video along the lines of my first 2 suggestions & I bet it would be a big success. *F.M.I.* did a piece a while back on Shalei and Andrea Nichole. That was exactly right. Or, do a video version of some of the best fiction out there. . . .

. . . Love the old-time mimic features, true artists, an inspiration to all us regular guys who love to dress.

Some of your latest fiction has been great — like "The Model of Femininity" — "Sorority Sweetheart" (wished it had been longer) — "TV Confessions" (loved the flashbacks to his youth).

Less photos. Photo mags are a dime a dozen, so to speak.

Less sexually oriented fiction. See above . . .

Heterosexual orientation preferred.

More letters, definitely.

More photos from readers, of course.

And TVs are more fun, more of a challenge. Make-up and talent is so much harder to achieve than

“Let’s face it, it’s hard enough for a real female to look great.”

hormone shots.

Transformation videos are the best. Let’s face it, it is hard enough for a real female to look great. How much more satisfying it is when a male can look super fem.

Kim, what more can be said, “Sally” is always fun to read. *Sissy Times News* is great, and your editorial is always thought provoking. . . .

. . . I will try to respond to some of your queries. I know your readership is varied and so should be the content of *F.M.I.* You did, however, request our preferences, so here goes.

I do enjoy the “letters to the editor” section. If we readers don’t write, then no letters for us to read.

I think your mix between fiction and photos is about right.

I prefer less sexually oriented and would also prefer some heterosexual orientation.

A brief glossary that was printed either frequently or maybe even every issue.

What is the difference between a “she-male” and a regular transvestite? Although I am over fifty and have been crossdressing for many years, I didn’t know there was a difference. I do stick close to the closet so that’s probably the reason. Based on past articles, I assume they are males who live totally as females and who are bisexual. The articles you have done in the past and have noted as she-males are excellent. About the same frequency as in the past.

I like the pageants and contests, but they can be overdone. No more than what you have now.

I especially liked such features as “Suzanne in the Morning,” “Maxie” and “Michelle.” I think one of the things I liked about these features was the good taste of the photographs. The pretty dresses and smiling faces. I don’t need to see too

much flesh and in the articles I mentioned, I think you did it just right. I also liked the article, “Sissy Stanley.” As per my above comment, non-sexual fiction. . . .

. . . Re-evaluate the amount of space allocated to the “Do’s and Don’t” section. As “temporary editor,” I would consider the possibility of limiting that to a single page, or maybe two.

The featured pictorials are great!! I really enjoy the photo layouts of such people as Vanessa Santoni, Morelle DeKeigh, Maxie, Michelle, Sherrie O’Neal, Francine, Lauren Montez, and my all-time favorite Heather!!! (along with many, many others . . .).

Fortunately Los Angeles is richly endowed with some of the most beautiful “girls” in the world! And obviously the pictorials within *F.M.I.* are very important to many of us. For while we can only dream of looking so fabulous, the pictorials give us a real perception of the ultimate dream, or fantasy.

If given the opportunity, I would seek out and interview these ‘girls’ for a 8-9 page photo spread in each issue of *F.M.I.* I would pattern the photo layout and accompanying text after *Playboy Magazine*. After all, they have been very successful at presenting feminine beauty for years — and aren’t we trying to do the very same thing (it’s just that our ‘girls’ are very special and just as beautiful)? The photos needn’t be in color for B/W can be just as devastating if photographed correctly and done with real class.

I would love to see an autobiographical text accompanying the photo layout. Much along the lines of an informal interview of the model rather than the reporter’s perception of her personality or facts quoted from some “bio” sheet. I would try to make it more personal (not “sexual” personal) so that a reader could relate to her emotions.

I enjoy feature articles on pageants and contests! Whenever you do a feature on LaRey’s presentations (for example) I would like to suggest that you might consider the following:

—If you devoted 8-9 pages of each issue to a *Playboy* type of photo layout of a featured ‘girl,’ then perhaps you could alternate that photo spread with an 8-9 page layout of contest/pageants (in those months in which they occur).

—Add more photos but space them out by masking white borders around the photos and note under the photos the names of the contestants.

I enjoy your editorials and would not change a thing there (I’m not stupid!!). I can honestly say that the editorial is the first thing I read.

Ahhh, “Letters to the Editor” — in this area I would like to offer a

couple of suggestions. Again, as “temporary, honorary editor in chief,” I would consider reducing the amount of space devoted to ‘letters’ but not the volume of letters. I would consider reducing the print size to support 4 columns/-page. I feel the volume is sufficient for each issue but that the space should be reduced.

With respect to the “ads,” I guess I might feel that the amount of space devoted to ‘ads’ should be reduced and only expanded on an issue-by-issue basis depending upon the number (and length) of articles, stories and additional pictorials (e.g., set aside a minimum number of pages for ‘ads’ and then use remaining ‘ads’ as a buffer and only on an issue-by-issue basis).

With regards to articles, fictional and non-fictional stories, and other text, I will use your list of questions to reflect my own personal feelings:

“What kind of fiction would you like to read . . . ?” (seduction of TV/TS by either males or females.)

“Would you like more fiction and less photos?” (No! Just the opposite.)

“Would you like more or less sexually oriented fiction?” (it doesn’t matter — just don’t become gross, please!)

“More homosexual or heterosexual oriented fiction?” (same answer as above.)

“More photos from readers?” (that’s a tough one. I enjoy those photos which are “classy” and where the person is really trying to project the feminine look — what I have a problem with are (a) cheap, low-quality photographs, (b) masculine ‘girls’ in their underwear, and (c) photos that border on tasteless or just “yucky.”)

“How do you feel about she-males as opposed to regular trans-vestites?” (personally, I prefer she-males. However, as long as the person is really making an honest effort to portray their feminine side, fine! I feel that seeing masculine “truck drivers” in cheap drag is almost as gross and tasteless as close-up photographs of genitals — please keep the masculine drag

“I would love to see F.M.I. feature an Amateur Model of the Month.”

queens out!)

“Videos?” (I’ll pass on this area)

In general Kim, “What would I like to see more of . . . ?”

I would like to see more helpful information for us (e.g., “Millie’s Helpful Hints”).

I would like to see contact information (i.e., clubs, organizations, etc. . . .).

I would like to see a “Dear Abby” column where we can write and have questions answered by someone who is knowledgeable and with whom TV/TS is a lifestyle. The column could be short (1 page) with smaller print (4 cols/page).

I would like to see F.M.I. begin

sponsoring some events. Perhaps a “cattle call” (God! how I hate that term!) to select potential models for future photo layouts. How about sponsoring some small local lectures/seminars. Certainly F.M.I. should charge a reasonable fee for attendance (obviously F.M.I., as a sponsor, is entitled to make a profit).

I would love to see F.M.I. feature an Amateur Model of the Month. Photographers would be encouraged to submit a QUALITY photograph of a ‘TV/TS’ (with release and short ‘bio’) that, if selected, could be featured on the inside back cover. This not only introduces new ‘girls’ to the F.M.I. readership but also features photographers (and their work) who love to shoot TV/TSs.

One final note — Linda Lee! I’m aware that she has moved on to what will be bigger and better opportunities for her. I wish her well. Linda was an absolute wealth of information and certainly helped to make F.M.I. even better. Obviously she is missed and cannot easily be replaced. . . .

Thanks again to all the readers that took the time to write to us and all those who are still responding. Your wishes do count and we will try to include as many of your ideas and suggestions as possible. But remember, the majority rules. If you would like to write to F.M.I. and possibly have your letter published send your words to: Leoram, P.O.B. 1622, Studio City, CA 91601.

Sally's Pages

Thanks again to Sally for giving us such golden and wholesome fantasies and literature. Our reader responses were very in favor of Sally and we know why.

Because she is such a sweet and creative gal!

I was just going through some old letters I had saved when my friend Priscilla dropped by. She happened to pick one out to read that I wish she hadn't. I had written it to my mother some years earlier

Dear Mother:

Just a note to thank you and Daddy for allowing me to go to the prom. And I'm so thrilled with the petticoat that you picked out for me. It's so lovely that I almost hate to wear a dress to cover it all up. But, I guess the boy that's taking me might be a little embarrassed if I didn't, so don't worry, and I'll send you some photos of me in my new dress when I pick it up.

Tell Daddy not to worry. I'll be a good girl, and I've already told Ken that he has to have me home by midnight. He didn't like that very much, and I didn't want to ruin his evening, but I explained to him that I've only been a girl for a few months, and I have so much to learn about feminine behavior, and after the things you told me about boys, well, I don't want to take any chances. Poor Ken, He's so confused. He really doesn't know what

to think about me. I don't think he really believes that I was once a boy, especially when I'm in a pretty dress that shows off my bustline. The hormones are really working miracles, Mother. And he says I've got the best looking legs at school. I just love it when he tells me things like that. I can't wait to have my operation that will make me a real girl.

Is Daddy feeling a little better about me now that I'm away at school. I know that he couldn't stand to see me around the house dressed in skirts and wearing make-up. I hope by this time he's accepted my sex change.

Goodness, Mother, it's almost midnight. I'll close for now and continue later

Mother, I'm so sorry to have taken so long to get back to this letter, but so much has happened lately, and I don't quite know how to tell you. But, I guess a daughter should be able to confide in her mother . . . please don't tell Daddy.

The prom was just heavenly, and Ken was such a gentleman, well, until after the prom. Then he drove us to the usual spot for young

couples and we started to neck, and then he told me he loved me and gave me a ring! Can you imagine . . . I'm engaged! Oh, he's so wonderful. Well anyway, I thought he was starting to get awfully fresh, feeling my legs and breasts, but he said that was alright to do now that we were engaged. But then he took my hand and put it right on his crotch! I couldn't believe it, but he said now that we're committed, I was supposed to do things like that, so I began to massage it, and then he took the big thing out, and there I was holding it for him. I hope it was the right thing to do Mother, because in the next breath, which was coming very fast for him, he asked me to kiss it. I almost fainted. But he was insistent and began to beg me, so I just couldn't refuse him. I just hate to tell you all the details, but, you see, I need your guidance. It's so confusing being a girl for the first time.

Well, after getting my lipstick all over it, it just seemed to slip through my lips, and I began to suck on it as he thrust it in and out of me. I thought the poor boy was going to go crazy before he finally erupted

The room was filled with song and dance . . .
On my mind, I had romance

I wore a dress of silk and lace . . .
And walked in heels with style, and grace

My hair was curled, my face was painted . . .
How I wished to get acquainted

With the man who stood so tall . . .
Would he notice me at all

Would he look, would he see . . .
The passion, and the need in me

Then I saw him coming near . . .
I felt weak, consumed with fear

"Hello Miss, are you alone" . . .
Thrills went through my every bone

"Honey, would you like to dance" . . .
I would have died but for the chance

He held me close, his crotch on fire . . .
I thought I'd faint with my desire

Then I felt his hard erection . . .
My body answered with reflection

He stopped and whispered in my ear . . .
"I'd love to screw your ass off dear"

"Mister, I would love to see . . .
That cock of yours inside of me"

"But first I must confess to you . . .
That what you see may not be true"

"I wear a dress and bra you see . . .
Because a girl I'd like to be"

"But I've a penis not a cunt . . .
With you, I want to be up front"

He answered with a look so black . . .
I wanted to fall through a crack

"I can't believe that you're a guy . . .
You look so feminine and shy"

I swirled my skirt, and tossed a curl . . .
To prove that I was like a girl

I knew that he could not resist . . .
A flirty, silken little twist

"Alright honey, let's go see . . .
If you can make sweet love to me"

He took me to a lovely place . . .
Stripped me to my silks and lace

I offered legs and breasts to feel . . .
Then he ordered me to kneel

He took it out, I was in shock . . .
It was so big, and like a rock

I opened wide to take it all . . .
"Make me cum, you bogus doll"

I kissed the head as in it went . . .
And sucked and sucked til it was spent

I savored every precious drop . . .
Of cum, that never seemed to stop

I then gazed up girlish and coy . . .
To see his face alive with joy

"Honey, did I make the grade . . .
I wouldn't want our love to fade"

"Again tomorrow night, my Dove . . .
Real or not, it's you I love"

and I thought he was just never
going to stop.

Mother, I can't believe that I did
that. Was it alright? Are girls really
supposed to do that to boys. I know
we're supposed to get screwed by
them all the time, but!! And that's
another thing. Ken wants to . . .
well, you know. He wants to . . .
Screw me! Mother, I can't let him
do that to me . . . Can I? Oh, I'm
so confused.

I just have to stop. I'll continue
tomorrow!

Mother, he did it. Ken actually
did it. He fucked me!! Oh, I'm so
ashamed. I feel like a little tramp.
But he insisted that it's alright now
that we're going to be man and wife.
He says it's a man's prerogative to
screw his intended anytime he feels
like it. Mother, I think he feels like
it all the time. Golly, I feel like I
have two of them what with my
own, and with his in me continually.
Oh, I feel like such a helpless little
thing. But, I guess that's just a girl's
role in life. Mother, please hurry
and write, and let me know what
you think of me.

Your loving daughter,
Sally

Commuter Fantasy

Dear Kim,

I am Tracy, a 32-year-old TV from Honolulu. I like going out shopping or walking around in dresses or skirts. For many years I rode a bus every morning to an office job downtown. About four years ago I decided to use a vacation day to make this trip in drag. After having acted on it I had a potent series of images to use in fantasy.

Starting with the night before, I'd see a picture of myself shaving my legs and doing my nails. I'd go to bed early and set my alarm for 5:00 a.m. I wake up in the cool darkness of pre-dawn, shake myself out of bed for a close shave and morning ablutions. It's now 5:30 and I rest in bed till 5:55 to let my face breath a little after shaving. Next, I'm looking in my bathroom mirror doing each step and coloration of eye shadow, liner, mascara. It's 6:15. I move on to my face; my base and block out, powder and rouge. I'm beginning to get feelings of anticipation. On go the eyelashes. Get 'em right. Okay. Almost 7:00 and got to rush. Get my wig. Give it a quick brush. On it goes, lined up and attach. I'm her now. Into my bedroom where my clothes are laid out. Panties on, bra, breasts, a look in the mirror to get the nipples of my falsies in the right place. It's 7:10 and I feel a community of purpose with the

Tracy

women all over town who are dressing hurriedly to get to work by 8:00. My stockings are on . . . my heels . . . I look at myself in the full-length mirror as I put on my slip. Now back to the bathroom to put on my lipstick. I can smell it and feel it and taste it. A little perfume goes on and quickly back to my bedroom I go for my dress. I'm buttoning up the back. It's almost 7:20. I'm feeling a sense of completeness and euphoria as I belt my dress and head to the livingroom. A quick check in the mirror then grab my earrings and purse and I'm through the door into the pretty light, and long shadows of the early morning.

I am now on the sidewalk walking towards the bus stop where I can see people gathering. Nicely dressed young women are walking across the street and up ahead. I can hear the clicking of my heels on the pavement. As I pass parked cars, I glance at my reflection in their windows. It's cool and nice, perfect weather. I'm fumbling with my earrings. Nevermind, I can put them on when I stop walking.

The bus is there. People are moving in. I stop at the edge, get my earrings on and step into the bus. I'm squeezed in, hanging onto a pole, trying to blend.

The trip is uneventful. I get off at a popular stop, but this is generally the end of the fantasy (if I haven't ended it earlier). The reality from this point is wandering about downtown, doing some shopping, and maybe using the ladies' room in an office building. Then I might take a bus to the shopping mall and go through the things I do in my weekend excursions or I might go home. The breakoff here is that the girls with whom I'm involved in a shared experience commuting all have jobs to go to when they get off the bus and I don't.

This situation led to the fantasy of going to work in drag. Our annual Halloween dress up day seemed to be a possibility. However, problems arose in my

mind of how well I would last through the day as far as passing on the way home after my beard had had twelve hours of growth. I also worried about clients. These doubts may not have been valid, but I generally side with caution and let Halloween 1984 go by without a drag appearance at the office.

“I was ready to go to our Office Halloween party in drag.”

By 1985, with a greater degree of determination and a year to plan, I was ready to go to our Halloween party in drag. I compromised by getting the morning off so that I could come in at 1:00 when the office would be closed to the public and the party would begin. I also wore a different wig, so that my co-workers would not recognize me if they saw me at some later date in my regular wig. This wig was long, light brown, with big wavy curls. I told no one of my plan so that I could pass at initial contact. Although moving up my arrival time from 8:00 a.m. to 1:00 p.m. divorced this plan from my commuter fantasy, I did have the asset of complete confidence in what I was going to do. I wore a black skirted suit, beige hose and black pumps . . . the perfect businesswoman.

I was whistled at from some guys in a pickup truck while waiting for the bus. This was old news to me, but amused the girls at work no end when I later related it. I arrived downtown early, killed some time at a store, and headed for my office so as to arrive just before they locked the

public entrance. Entering the building, I walked by my boss who rolled his eyes in such a way as to indicate recognition. This displeased me, but did not deter me. The look of recognition on my face and his expectation that I was planning something for that day probably caused this.

Up the elevator into the reception room. I fooled the receptionist. She was asking, “Can I help you? Are you here to see someone?” When I started pulling out a business card she finally caught on, and said, “Oh, Wow! Neato!” and stuff like that. She told me to go into the back room through the private entrance to surprise the girl working back there. This one didn't have a clue. After about two minutes I mercifully ended her frantic guessing by speaking my name, and she said let's get somebody else. So I went back to the reception room and the receptionist put in action her plan to set up one of the other girls in the office. She told this girl that I was a particularly argumentative client whom she had spoken to in the morning, but never met. I waited with my now two co-conspirators for several minutes, I could just see our poor victim in my mind's eye, gathering her thoughts, review the file and bitching to anyone who would listen about the witch she had to go out and talk to just at closing time. Little did she know, but soon she appeared and asked the usual questions as to why I had come in, etc., to which I remained mute. She stepped closer and I revealed myself with a characteristic gesture. This led to being hit with the client file amid raucous laughter. The girl wasn't mad. Everyone had a good time and I felt this was the time to stop the practical jokes and go into the party. My boss came back and took pictures and it was a good time.

I left that job last May and started electrolysis on my beard. I'm pleased with the way it has gone despite the cost of circa

\$4500.00 to date. Since most of the work was done with a local anesthetic, the pain was much less than I anticipated. My face is very soft without subsurface stubble that made it hard and although I still have some follow-up sessions, it's hard to find hairs on my face without a very close inspection.

The advantages are numerous. I never have to shave, a time-consuming and irritating process. I don't need to put on special makeup to cover up my beard; or any face makeup for that matter. I don't worry about "five o'clock shadow." Less makeup means a more natural look and calls less attention to my face.

I suppose I've rambled on now long enough. You may print any part of the contents of this correspondence that you feel is of general interest.

Aloha,
Tracy

P.S. In regards to the close-up photo, we covered the flash with a blue tissue paper that created a muted effect and allowed for a better presentation of the eyes. Those who use an instamatic may wish to try this technique if their eyes are coming out like little red/brown suns.

Dear Tracy,

What a marvelous woman you make! I can see how anybody would be fooled. Your fantasy is very special for me. I related to your phrase of feeling in community with the other women who were also getting up and doing the same ritual. Thank god for Halloween or we might not ever get to show the world a wonderful side of ourselves.

Keep dressing,
Kim

Boutique Balling

Dear Kim,

It has been a long time since I've

written to you and I thought you might like to hear another one of my more recent experiences as a lady.

I have recently found a boutique in my area that will cater to crossdressers. I went in one day and the lady who I'll call Lana had a beautiful two-piece chiffon outfit with a slip and camisole and tap pants to go with it. I had gone there before it was opening time because that is how she has the

***“Then she
dropped to her
knees and started
to push my skirt
up.”***

crossdressers come in, and she told me to go and try it on. When I came out of the dressing room, was I in for a surprise. There she was with another beautiful lady who was about 25, both of them were in lacy garter belts and hose and wigs and one had on a strap-on dildo. They both smiled at me and said that out of all the TVs that come in, they had been watching me, waiting for the opportunity to have some fun with me. Well, I didn't argue with them as they were both very pretty.

The youngest of the two came over to me and gave me a big full kiss and started feeling my ass, then she dropped to her knees and started to push my skirt up, and was thrilled to find I also had on a garter belt and hose. As she lowered my panties and started to give me head, Lana dropped behind her and started eating. Then after a few minutes of this, she started fucking her with the dildo. This went on for about 10 minutes and Lana asked if I

would like it to be my turn. Well, I was so hot by this time they could have done anything they wanted to me. Then Cathy said she wanted me in her while I was getting reamed out, so she bent over the counter and guided me into her as Lana was preparing my ass for the best fuck I have ever had. We stayed together for what seemed like hours and enjoyed each other every way possible.

I fucked the two of them in every opening they had before we were done. It was past time for the store to open and we were still going at it, when we heard someone at the door. We all looked up and there stood a lady who looked like she had just walked off a magazine cover. When she asked what was going on, she had a big smile on her face and asked to come in and join the party. We let her in and decided we had better hang something over the door to be safe.

Cathy and I started playing with Lisa and undressing her, she had the nicest 38C breast that I have ever seen, no sag at all. Cathy and I had one hell of a feast. Then I thought I would have some of her pussy. Boy, was I in for a surprise when I lowered her panties. She had the nicest little dick I have run into. By this time, Lana had gotten back to us and had the surprise of her life for she had known Lisa about 8 years and never knew she was a TV.

I was on my knees in front of Lisa and enjoying the 4-inch dick I had in my mouth while Cathy was still on her breast and Lana was greasing the dildo up for some more hot action in Lisa's ass. All of us took turns on Lisa and she couldn't get enough of what we were giving her, in either the sucking or fucking department. She had my 9-inches down her throat and the dildo up her ass while Cathy was giving her head. We finally stopped after about two hours and straightened out our makeup and got dressed. As we were walking out the door, Lisa invited me to her house to use her

hot tub and relax for awhile.

On the way to the house, I couldn't get over how beautiful Lisa was and how I would like to be able to have her as a permanent lover.

When we arrived at her place, as soon as we got in the door, Lisa stripped to her bra and garter belt and told me she had to have some more of me. Well, I didn't argue and stripped down to my bra and garter belt also.

She slid my panties aside and took my dick and balls into her mouth at the same time, that was a real thrill because I had never had anyone who could do that before. We played and fucked for the rest of the afternoon and tried on different outfits.

I finally asked her how long she had been dressing. She said her father ran away and her mother always wanted a daughter so she started dressing her as a girl in all the lacy little girl clothes. Then as she got older she arranged for her to be put on hormones to develop the daughter she wanted. She said between her mother and her mother's friends who knew about it, she was taken care of very well and taught all there was to know about being a lady, and at times when her mother and her friends would have a party they would have her dress as the maid and service them which she got to enjoy both worlds at the same time. She was never allowed to wear pantyhose so she got to where she loved garter belts and hose and must have had about 60 of them in all colors and styles.

As we were talking, her mother and a friend came in and one was just as good-looking as the other and the party started all over again, but that's another story.

I hoped we could have a good relation, but Lisa has moved, and I don't know where she has moved to, so all I have is the memory and some outfits she gave me to remind me of her.

I hope you can use this in your great magazine. The models you are using are prettier every time.

Keep up the good work.

I also would like to do some pictures for you but I don't have anyone to take them for me and I don't get to the L.A. area. Maybe you could give me some suggestions.

All my love,
Paula

“She loved garter belts and hose and must have had about sixty of them.”

Paula, darling,

You certainly do keep yourself busy! What a marvelous story. I think I can safely say that our readers will enjoy that. As for how to get your picture taken, the only thing I can advise is to put an ad in our personal section. It's worked for others, why not give it a try?

*Best,
Kim*

Experimenting

Dear Kim,

Just received *F.M.I.* Vol. 18 #1, and enjoy your beauty. Oh, to be like you. Well, I can dream, can't I?

I am 52-years, white, 5'11", 165. I call myself Patricia Sharpe. I'm half out of the closet due to my work & marital status. For 30 years I was a TV and dressed whenever I got a chance. Hired a room in a hotel & dressed & made up to my heart's content.

Last year, I decided I wanted to be more feminine. I started to look for a doctor, hospital, etc. & to my surprise, I found a doctor who offered me a free consultation in reference to becoming a female.

I went to his office & after a ½-hour talk (I was wearing a stuffed bra, panties, silk stockings, which he saw as he examined me), he said, "OK, Patricia, I'll start you on hormone treatment & pills and we'll see how it goes."

Needless to say, I was scared to take the shot but decided, "I'm here, so let's go." I went every week for my shot & took pills every day & a change came over me. In about 4 months, my nipples were twice the size they were & my breasts began developing. Soon, the hair on my body stopped growing. My beard has gotten much lighter. I no longer ejaculate & my testes & penis are getting smaller every day. I am very emotional but enjoy a feeling of femininity I never knew before. I find myself walking & swaying like a female. I also think differently about things.

Although she doesn't know, my wife is beginning to notice my breasts & how my hair is more softer & fuller. What will I do when my secret is out, I don't know. But I'm enjoying the change in my body.

If I turn out half as beautiful as you, Kim, I'll be in paradise. Hope you print my letter.

Love,
Patricia Sharpe

Dear Patricia,

Far be it from me to lecture my readers, and please understand that these comments come from concern, not judgement. Although I am always delighted to hear of readers who have profound and satisfying experiences in their feminine realm, I am often distressed when I see a basic lack of care for those people who surround us. I am all for femininity, but if you cannot be

upfront with your wife about your transformation then you had better think twice about continuing your use of hormones. I cannot believe that a responsible doctor would encourage the covert use of hormones in this situation.

Yes, our bodies are our own, but when we are married or even in committed relationships we owe it to our mates to share these events with them. If you are not willing to face the consequences of these conditions then you have no business doing so.

There is a very gray area between the man who crossdresses for fun and relaxation and keeps it a private pastime and those whose obsession leads to ruin. Many wives would not understand. There is no need to selfishly hurt someone who need not know. At the same time when you take hormones you are crossing out of that gray area into danger. It's simply thoughtless not to consider the ramifications your actions might have on your loved ones.

If there seems to be no other choice for you than to take hormones, let your mate know first and suffer the consequences. Unfortunately for some, you can't have your cake and eat it too. But to think that you can take hormones on the sly and not take your mate into your confidence is unrealistic.

Please write back and tell me how it goes no matter what you decide to do for my care for you is not conditional.

Best,
Kim

A Question of Gender

Dear Kim:

I am a first time reader of *F.M.I.* (and some of the models really do not appear to be transvestites but transsexuals. Please advise if they are all either one or the other . . .) It is my understanding that TVs still have

their male genitals . . . and to me that would be absolutely fantastic and terribly exciting if the models are actually TVs with the incredible feminine features (gorgeous breasts) and fine detailed work (long nails, soft silky skin, etc.). I can understand if you are reluctant to display your genitals but I am a bit confused . . . are you still a male or do you now have female genitals? I would love to have a picture of you . . . can you accommodate?? Kindly advise the price please

Thank you,
Paul

“I would love to see the activity of a drag ball, I’ve never had the nerve to attend one.”

P.S. It would be simply mind-boggling if you were still a male and appeared to be a dominant female . . . (Dominatrix) . . . fantastic!!

Are She-males the new unique sex symbols of the eighties (+ nineties)? Is this a fairly new phenomenon? Or is it just a very limited fad?

Paul, darling

Just read the caption on the bottom of every cover of our magazine and that should answer your questions. Once and a while we will have photos of women in the magazine, but most likely you will see a gorgeous creature next to them who is not.

All our feature models are, of course, men and still possess the proper genitals.

As for me? Lets just say that I have a loooong resume that fulfills the job description of *Editorix of Female Mimics International*.

Thanks for asking,
Kim

Incognito

Dear Kim,

Hi honey, hope you are fine, I know you are always gorgeous! I just had to comment on the *F.M.I.* video which I did enjoy, especially Stevie, she is so pretty and such gorgeous legs! I'm certain we would all like to see her again! I was bitterly disappointed in that all we saw of you, my love, was a hot cigarette and the very sexy stiletto heels. I had expected you would be doing the interview a'la Barbara Walters — crossed nylon-sheathed legs and a big smile. Actually, the thought of seeing you and the format was the reason I purchased the video.

I tend to agree with a number of your readers, in that I would love to see the activity, etc. of a “Drag Ball.” I’ve never had the nerve to attend one.

While I still consider myself your #1 admirer, I would still like to see China Kitty, Jennifer Thomas, Shannon O'Connor and I'd still like to see Summer act like a girl in a video, even if she only modeled clothes, etc. Of course I still believe that Heather Fontaine's video is one of the very best, even though all she did was pose and talk, it is also just about the sexiest video of them all, even without any sex in it.

Of course, I also love your standbys, Dana Douglas, Serena, Morelle (*She-male Whorehouse*).

Unfortunately in *Mardi Gras Passion*, I really do not know who are She-males, whether all the girls are She-males or what. It does make a difference. I believe the cover should so advise or perhaps the credits. Perhaps I am just

stupid.

By the way, I stumbled across Stevie in the Sally Jessie Raphael show by accident, it was too late to tape it. Anyway, my dear, let us have more of Stevie, Kitty, Jennifer Thomas, Shannon O'Connor, Morelle, and Michelle (*Art of Femininity II*) and how about gorgeous Kim!

Love,
John

Dear John,

Thank you once again for all the lovely words. Stevie is a doll and we plan to use her again in our *Transvestite Adventure Series*.

Summer does tend towards the imperious, doesn't she.

I know that some of you were disappointed by my fragmentary appearance in the video, but if you knew how long it took Tina to convince me to do as much as I did

Hopefully I'll shed these few extra pounds and show my face again soon.

Love,
Kim

Crossdressers Club

Dear Kim:

Having been a loyal fan of *F.M.I.* for years now, I thought it about time to write you with my story. You see, *F.M.I.*, through its great articles, ads of TVs & letter section, gets part of the credit for my coming out of the closet.

Before I forget, I will tell you that my name is Marla. Although I am 6 feet tall and quite masculine (as a male), I feel I can portray myself quite well as a female. Hopefully, my photos bear this out.

I have been a TV now for about 20 years, and though I tried to fight it during my teen-hood, I lost the battle (thankfully). At 21, I met the woman I would eventually marry. I told her of my crossdressing, and she seemed to accept it. We've been married

9 years now and we have 2 wonderful children. Recently, we separated. Although we do love each other, and our kids, it seems she can't accept my TVism. It's an age-old story, but one that goes on and on. A lesson folks: A relationship with a crossdresser, must integrate that crossdressing to both party's satisfaction.

Since my separation, I have become quite proficient at dressing as a female. Actually, since I joined a TV club 2 years ago, that is about how long it's taken to become proficient. The City of Lakes Crossdressers Club (CLCC) welcomed me with open arms when they were a fledgling group, and we have grown to be over 100 members strong (based in Mpls., MN. Contact me if interested).

Recently, at a club meeting, I met another attractive TV. We got to gabbing about clothing, make-up, and other TV interests, and before too long we went to my car to take a nice drive in the country. We hadn't even started the car before we were gabbing again. She told me that she was quite attracted to me, and as I gazed into her lovely eyes, I leaned over and kissed her passionately. Letting the woman in me take over, I slid my hand up her nylon-clad thighs and into her panties.

I grabbed her throbbing manhood and started stroking slowly. She, in turn, pulled down my panties and hose and did the same. This blew my mind. I never thought I was "queer" per se, but here I was stroking another man's cock, and loving it. Soon she asked me if she could give me head. I groaned my approval, and her lips were instantly around my rock-hard maleness. I imagined I was a woman having her pussy eaten, and my rod grew another inch. When she begged me to come, I obliged. The ensuing orgasm was unlike any I had ever had. My whole body shook as I exploded into her mouth. After we were done, I leaned back with my eyes closed. I was feeling a bit guilty

Marla

about what had just happened, but I knew I would get over it. When I opened my eyes, "Joannie" was gone. All that remained were a couple of fake fingernails and the scent of her perfume. I pulled up my panties, hose and re-adjusted my mini-skirt. After tidying up some of my smeared make-up, I went back to the meeting/party. "Joannie" was nowhere to be seen, so I figured she left.

At this point, I took leave also. But I left with knowledge that I had satisfied and been satisfied. I also was quite sure that my encounter with "Joannie" would lead to other such encounters with people like me. I will keep you posted.

from your fan
Marla

Dear Marla,

Well, I guess you have opened Pandora's box, so to speak. I am glad to hear that you enjoyed yourself and don't let anyone stick a label on you that you don't want. But, do let me remind you about safe sex and also that you can continue to explore all the avenues of your sexual and gender life with gusto and glee and still stay safe.

Best,
Kim

The UNIVERSAL BALL

The Sun Goddess, La Rey, opened her bash with a brilliant display of flash and glam at the Universal Ball. Now in it's 19th year, the show was held at the bigger, more centrally located Palladium. La Rey gathered a wide selection of previous kings, queens and royalty to participate in an opening extravaganza of celestial proportions.

At left: Lina Del Rio, former Queen of the Universe heads up the opening extravaganza. Below: King Michael gives one last show stopping number clad in skin-tight leather with a bevy of assorted she-boys.

At right: Contestant #11, Maracella, representing Argentina was a cool white-blonde vision in acid green. Below left: Pamela Joy, Queen of the Universe in 1987, shimmers in head-to-toe gold lame in the celestial opening number.

If you would like to see more of these stunning beauties and hunks turn to our catalog section to see our first-time offer of the Queen of the Universe video tape.

On page 22 (as far as we know) clockwise from far left top: The well-pumped Ray Acosta. Jasmine representing France. Surf's up! The stau-esque Dana Douglas. Rex, the aptly named winner of the male portion of the contest. Anae, well-known royalty and entertainer.

This page (23): A showstopper. The very hunky Lee, representing Texas. Randy Wendelin the first contestant to compete in both the male and female categories. The attractively awkward Jack Thomas. Our personal favorite, Rhonda Lee Ashton. A sensational glass dress that made the most seductive sounds while in motion.

Bottom left on this page: Vannesa Santoni bravely accepting a trophy in one of the most beautiful red dresses we've ever seen. This dress alone is worth the price of the video. HIGH HEEL SLAVE

If dominant she-male bitches forcing cute guys to worship their feet in the extreme is an interesting thought to you, then this new video, "High Heel Slave," will be the perfect entertainment for you.

Angel, a ravishing she-creature who has also starred in numerous Kim Christy features, is the cigarette smoking customer in the ultimate shoe salon. Our mild-mannered shoe salesman is awed and overpowered by her. He is reduced to a groveling state by her incessant demands. She orders him to try on shoe after shoe on her, demanding that he buckle each buckle, zip each zipper, and snap each snap.

HIGH HEEL SLAVE

Suddenly Angel lashes out in anger when the hapless salesman snags her nylons. She demands a replacement pair and insists that he put them on her legs. When he becomes hopelessly flustered, Angel takes total control and humiliates him totally with her feet, stockings and shoes. He is forced onto all fours on the floor as Angel explores his body with her shod feet, digging her spike heel between the cheeks of his ass. She finally ends up clad in a pair of thigh-high, patent leather, sharply spiked boots. Her voluminous breasts are proudly exposed and our salesman finds his total shame and degradation.

One of the Girls

By Marsha Manley

I got some things together in a handbag and put on a trenchcoat and a headscarf. Rita drove me to work. I usually ride a bus but that was out of the question this morning.

Since it was early we decided to stop at a fast food place on the way for some coffee. This was a convenient test of my authenticity and I passed easily. I got some second looks but they were not the kind that said, 'I know you are a man.'

When Rita dropped me off a block from the plant's office building I had a stomach full of butterflies but they dissipated when I saw a group of employees in the parking lot all dressed in outlandish costumes. Among them was a man in comic drag. At least I was not going to be the only guy in a skirt.

I high-heeled it up the walk and into the building unnoticed. I fumbled around with my handbag getting out my identification tag to show to the security guard. He showed no sign of recognition and passed me by without any comment. I have to admit I felt a twinge of disappointment at his indifference.

If I felt unappreciated at that point I had only to wait a few moments as Diana D. arrived in the elevator lobby. She was dressed in a 1920's flapper-style costume with a cute tunic dress, a cloche hat, beads and court shoes.

We got on the elevator together and stared at each other for several seconds. Then we both spoke at once.

Diana let out a squeal as we arrived on the third floor and a number of heads turned in the hallway to see what the commotion was about.

"Wow, Marshall — you really did it," she gushed. "Just look at you — you really can dress as a woman — you're beautiful. Wait till Mallory sees this. She'll just die."

I just smiled and went demurely to my desk and sat down.

It was pretty much the same scene when the other ladies arrived. Dottie K. was more reserved than the others but that is just the way bosses are supposed to be. She smiled at me warmly and said simply, "Marshall — you look very nice."

Mallory teased me quite a bit and made me get up and walk around the office.

Excerpted from the Sissy Times, this is the third part of Marsha's story. The Halloween party plans are set and Marshall's sister, Rita has come to help Marshall in his transformation. Let the party begin!

"Oh, you're good in those high heels, aren't you darling," she commented with a significant look in the direction of the other girls who sat by giggling.

Mallory was dressed in a Superwoman outfit. Louise W. wore a sexy western dance hall outfit. Margaret B. was outfitted as a meter maid. Susan P. wore a Hawaiian outfit with a grass skirt. Dorothy K. had come as a circus clown.

For the first hour the office was in a complete uproar as we took in one another's outfits and gabbed. I wasn't entirely the center of attention but I was constantly aware that the ladies were sneaking looks at me. Louise W., Diana D. and Margaret B. were the friendliest and most supportive.

They naturally wanted to know where I had obtained the clothing

and makeup. I told them about Rita and said the clothes were hers and that she had done my makeup.

We were still buzzing like school-girls when the first coffee break time came so Dottie K. took us down to the cafeteria together and we began to settle down.

I was doing my best to act in a feminine manner and my efforts did not go unnoticed.

"When I look at you from behind Marshall," Louise W. said as we walked down the hallway from the cafeteria, "you look just like a woman. You swing your hips just like a woman."

I turned and smiled at her. I love to hear a real woman say things like that to me.

"He's got padding in there I think," Mallory offered. "Don't you Marshall?"

"I'm not telling," I replied and they all laughed.

When we got back to the office Mallory and Louise and Diana and Margaret cooked up a little scheme. They went to Dottie and suggested that I sit at Diana's desk in the reception area and do her job instead of my own. Diana was to work on some filing in the storeroom.

"After all," Mallory told Dottie, "Marshall is the only one who is dressed appropriately for the reception area. He ought to be our receptionist I think."

It was a joke on me, of course, but I absolutely loved the idea of playing receptionist. This was just the sort of reaction I had been hoping to provoke from my co-workers. I wanted to have fun dressed as a woman and I wanted them to have fun with me.

The day went very fast. Rita called before lunch to ask how things were going. I gave her a glowing report. Margaret B. wanted Rita to do a makeup analysis for her sometime. Some men came for an

appointment with Dottie and sat for several minutes in the reception area looking perplexed as costumed employees passed back and forth. They didn't seem to catch on to me until I had to talk on the telephone. Then they realized I was a man dressed as a woman and you should have seen their expressions then. One of them, a younger man, stared at me a long time. Ordinarily that would have made me feel very uncomfortable but I was on my own turf so to speak and I looked up from time to time and smiled at him. My smiles made him turn away with a shamed look on his face. Then Dottie called me on the intercom and I showed them to her office. A half hour later they came out laughing with Dottie and I was introduced to them as Marshall.

"Boy you sure had us fooled," the older of the two men said.

We got permission from Dottie to take some extra time for lunch so we could go out to a nice restaurant together. We locked the office up and all went in two cars.

The questions got a little more personal over drinks and lunch.

"This isn't the first time you've done this, is it Marshall?" Mallory asked point-blank. "We've had guys come in drag before, but they've never looked as good as you look," she added.

"Well, I have been to some other Halloween parties I guess."

"The frightening thing is," Margaret B. interjected, "Marshall looks better as a woman than a lot of real women."

"I've been told that before but I don't think it's true," I replied trying to sound modest. The vain narcissism of transvestites is impossible to cover up, however.

"You know it's true, Marshall, so don't try to kid us," Mallory warned me.

"You know, most men I know wouldn't dare do this for love or money," Margaret B. said. "but you seem to be totally at ease as a woman. You must enjoy being in drag."

"Well, yes and no," I replied. "I guess I do enjoy getting dressed up

in these nice clothes and fooling people but to tell the truth — my girdle's killing me."

There was prolonged laughter at this jest.

They also had to know what I was wearing underneath and what I had used for padding my breasts and hips. I answered these questions willingly.

"This isn't the first time you've done this, is it Marshall?"

I was overdue in a restroom when we finished our meal so Louise W. and Mallory stood guard on the ladies' room at the restaurant while I quickly relieved myself. This prompted quite a discussion in the car on the way back to the plant.

Back at the office Dottie K. asked me to deliver some documents to another office located in a separate building on the company complex. This meant walking nearly a quarter of a mile.

"Do you mind doing it?" Dottie asked me in front of Mallory. "I can send Diana if you like."

She was apparently concerned about me walking such a long distance in high heels and a tight skirt. I assured her I would do it.

"Maybe I ought to go with him to keep him out of trouble," Mallory offered. "You never know about those guys in the Engineering Department. They might make a pass at our pretty little receptionist."

Dottie agreed and Mallory went

along with me. We got into our coats to go outside and I tied on my scarf as it was windy outside.

"I really mean it Marshall," Mallory said to me when we were on our way. "You look quite attractive dressed that way. Men look at attractive women and think evil thoughts. Doesn't that worry you a teeny bit?"

"I know, but surely we don't have to worry about getting raped here at work," I responded. "I can't imagine anyone attacking me here."

"So, you're not worried then?"

"No, but I'm glad you came along just the same," I replied and smiled. Mallory is a fine person and a charming companion.

"Do you mind if I ask you a really personal question?"

From past experience I had a good idea what was on her mind and I wasn't disappointed. I nodded my consent to suffer her inquisition.

"Are you gay?"

"No, I'm not gay, but I must be a transvestite or something," I replied.

There was silence after this for a few moments.

"Well, I was just curious about it. I guess I shouldn't have asked you such a thing. Will you forgive me? I can be such a nosy bitch at times."

"No, it's all right. I don't mind you asking me questions at all," I assured her.

"In that case," Mallory continued, "what are you going to show up in tonight?"

Mallory was clever enough to realize that I would not be content to come to the Halloween party in a skirt-suit.

I described my evening dress in detail for Mallory and made her promise not to reveal my plans to our co-workers. I wanted to surprise them.

We delivered the documents to the Engineering Department without incident and returned to our office building. On the way back we stopped in a ladies' restroom and went in together as though it was the normal thing to do.
